

From the Pastor

Most of you have heard my story about what I believe was an angelic visitation on I-5 in California, but just in case...

I had a flat tire in a borrowed car and could not figure out where to put the jack. Each time I tried, the undercarriage of the car started to give way. Sitting on the side of the road, frustrated mainly because I felt I had somehow misplaced my man-card--I was struggling to know what to do next.

After about 20 minutes of praying, a CHP Officer drove up behind me, got out, never even looked at me, walked over and immediately placed the jack where it belonged. Then, without a word, he returned to his vehicle and drove away.

What struck me the most was that he could have been my twin. He looked exactly like me! To this day, I'm convinced God sent my guardian angel.

In fact, I believe we are constantly surrounded by angels. You might ask, "Where were they for the folks at the Route 91 Concert 2 weeks ago?" Good question. I believe very simply, very child-like, that they were right there to usher some home and to protect others.

Please feel free to call that a cop out and agreeably disagree, but I am greatly comforted and quietly confident that angels are close by, joining us when we worship, and watching over us until our sojourn on this planet is over and they are there to usher us home. I hope you'll be comforted as well.

Blessings,

Randy & Pam

SERMON NOTES

2 KINGS 6: 8 -17 (NLT)

⁸ One time when the king of Aram was at war with Israel, after consulting with his officers, he said, "At such and such a place I want an ambush set."

⁹ The Holy Man sent a message to the king of Israel: "Watch out when you're passing this place, because Aram has set an ambush there."

¹⁰ So the king of Israel sent word concerning the place of which the Holy Man had warned him. This kind of thing happened all the time.

¹¹ The king of Aram was furious over all this. He called his officers together and said, "Tell me, who is leaking information to the king of Israel? Who is the spy in our ranks?"

¹² But one of his men said, "No, my master, dear king. It's not any of us. It's Elisha the prophet in Israel. He tells the king of Israel everything you say, even what you whisper in your bedroom."

¹³ The king said, "Go and find out where he is. I'll send someone and capture him."

The report came back, "He's in Dothan."

¹⁴ Then he dispatched horses and chariots, an impressive fighting force. They came by night and surrounded the city.

¹⁵ Early in the morning a servant of the Holy Man got up and went out. Surprise! Horses and chariots surrounding the city! The young man exclaimed, "Oh, master! What shall we do?"

¹⁶ He said, "Don't worry about it—there are more on our side than on their side."

¹⁷ Then Elisha prayed, "O God, open his eyes and let him see."

The eyes of the young man were opened and he saw. A wonder! The whole mountainside full of horses and chariots of fire surrounding Elisha!
