

From the Pastor

What do darkness, evil, lying, hatred, death and Satan all have in common? None of these entities would even exist without the substance of its opposite, so even though they could be considered as hostile witnesses, they are witnesses nonetheless to the existence of light, good, truth, love, life and God.

Think about it. Life can exist without death, and good can exist without evil, but death wouldn't even exist if it weren't for life, just like evil would never exist if it weren't for good.

Darkness has no substance, it's simply the absence of light. A lie can't even exist if it weren't for the truth which exists and stands on its own. Hatred is a witness to the fact that love exists. The actual word for Satan comes from the Hebrew word 'sahtan' which means 'that which opposes'. Satan and the darkness of evil actually bear witness to the fact that God exists!

Let's practice seeing through the darkness of every problem to the Good God who sits on His throne. God is Love, Jesus is Light, Jesus is Truth, Jesus is Life!

Blessings,

Randy & Pam

SERMON NOTES

1 John 1:5-10 (NLT)

Living in the Light

⁵This is the message we heard from Jesus and now declare to you: God is light, and there is no darkness in him at all. ⁶So we are lying if we say we have fellowship with God but go on living in spiritual darkness; we are not practicing the truth. ⁷But if we are living in the light, as God is in the light, then we have fellowship with each other, and the blood of Jesus, his Son, cleanses us from all sin.

⁸If we claim we have no sin, we are only fooling ourselves and not living in the truth. ⁹But if we confess our sins to him, he is faithful and just to forgive us our sins and to cleanse us from all wickedness. ¹⁰If we claim we have not sinned, we are calling God a liar and showing that his word has no place in our hearts.
