

## From the Pastor

1 John 4:2 says that Truth speakers will always acknowledge that Jesus came in a real body. The spirit of antichrist was already well at work by the time John writes this Book around the turn of the 1st Century. Just like the spirit of antichrist today wants to rewrite the history books and say there was no Holocaust, back then people were saying that Jesus didn't come in the flesh.

The Bible uses the word "flesh" in several different ways. But the use here is the basic idea of humanity. God became human in the God-Man, Jesus Christ. His incarnation became such a line of demarcation that it made it into all of the early church Creeds—the Nicene Creed of 325 AD and the Chalcedonian Creed of 451 AD were both forged against different heresies that had risen up.

Here is something that we can take to the bank. God Himself became one of us through the Second Person of the Godhead, Jesus Christ. Those who believe this and all that entails, are those who are aligned with the Spirit of Truth!

Today we welcome Marius & Florentina Calugaru from Romania. They left their homeland to come to America in order to reach other Romanians who came to our shores. They also return periodically and minister in Romania. Please help them feel welcomed!

Blessings,

Randy & Pam

## SERMON NOTES

### **1 John 4:1-6 (NLT)**

#### **Discerning False Prophets**

**4** Dear friends, do not believe everyone who claims to speak by the Spirit. You must test them to see if the spirit they have comes from God. For there are many false prophets in the world. <sup>2</sup>This is how we know if they have the Spirit of God: If a person claiming to be a prophet acknowledges that Jesus Christ came in a real body, that person has the Spirit of God. <sup>3</sup>But if someone claims to be a prophet and does not acknowledge the truth about Jesus, that person is not from God. Such a person has the spirit of the Antichrist, which you heard is coming into the world and indeed is already here.

<sup>4</sup>But you belong to God, my dear children. You have already won a victory over those people, because the Spirit who lives in you is greater than the spirit who lives in the world. <sup>5</sup>Those people belong to this world, so they speak from the world's viewpoint, and the world listens to them. <sup>6</sup>But we belong to God, they do not listen to us. That is how we know if someone has the Spirit of Truth or the spirit of deception.
