

From the Pastor

Last year, Pastor Dave brought us a dedicated and anointed group of singers of which he was once a part, and they were absolutely incredible! I asked him if there was any way we could have them again this year, and that day has come.

They are called 'The Heritage Singers,' and not only are they anointed and their ministry deep and rich, but in all my years of ministry, well, can I be honest? I was blown away when after they had their sound check, the entire group sat on the front row and participated in our pre-service prayer meeting. Then they left time for me to preach, and again they all filed into the front rows and listened as God's Word was being presented.

Thank you, Heritage Singers, for modeling what should be happening with anyone and everyone who ministers in music. Scripturally, when the worshippers led the way, the battle was already won. It is my joy and privilege to once again have The Heritage Singers, and I would highly recommend them to any church or Pastor.

Blessings,

Randy & Pam
