

From the Pastor

In Hebrew, two word noun clauses are one of the most intense ways of expressing truth. The verb is not necessary and is simply understood. King David is confronted with 2 of these two word powerhouse expressions, and then shares his own as a result. Bathsheba begins the intensity with the two words: "I, pregnant."

One year later, Nathan the Prophet shows up to tell the greatest word picture story in history. Once David pronounces the judgment for such outrageous behavior, Nathan says, "You, the man." ('The' is not a separate word in Hebrew).

Finally, David makes his great confession to Yahweh through Nathan, "Sinned, to Yahweh." (Again, 'to' is not a separate word in Hebrew). Confession and repentance are two necessary elements in being restored to Jesus when we sin.

I pray that by the end of every service we can say, "Worship given. Word received. God glorified!"

Blessings,

Randy & Pam
