

From the Pastor

Last Sunday was very special to me. I believe the Lord is truly beginning to revive, restore, and refresh us as a church body. I want to give a shout out to the students from Northern Arizona University who were with us. They spent all last Monday on the UNLV campus praying for students and inviting them to church. In fact, if you are from UNLV and here today as a result of their invitation, will you please let me know before you leave today?

Also, Martin Malmberg from Olive Crest astounded us with their new program called Safe Families, where children headed towards the CPS system are placed in Christian homes with the opportunity to be reunited with their parents. Many times, the struggling family then joins the family that helped them out at church.

One young adult that was with us just wept because she went into the system and never got out. She told me afterwards that this is the way it should work. Thank you Martin, for the great work you guys are doing!

Also, after service, Martin told me that he felt the Holy Spirit powerfully moving in our church through a spirit of unity. God is up to something folks, let's run hard after Him!

Blessings,

Randy & Pam
