

From the Pastor

"Heavenly Father, we come today in the Name of Jesus to pray about a real dilemma facing our nation. Please give us wisdom to allow the people into our country who are coming here with proper motives, people who desire to improve their lives, and who will benefit this nation. And please help us to keep out those who would be coming for ulterior motives, with hidden designs to try and destroy our nation from within."

Absalom was a real threat to the nation of Israel and the Kingship of his father, David. He had to be exiled because he was so dangerous! Joab thought he was preventing a civil war by trying to bring the King's son back to Jerusalem when in fact he almost caused one. Let's study this portion of Scripture and look into it a little more closely.

I would like to welcome Kyle Chalco to our Sunday worship service. Kyle runs the program in our District that brought us Luis & Olga Gonzales, who have been interning with us for this past year. Kyle is here to congratulate Olga as she transitions out of being our intern into officially joining our Pastoral Staff. Welcome Kyle, and congratulations Luis & Olga. God bless you and we love you. Thank you for choosing to stay with us and help us!

Blessings,

Randy & Pam
