

From the Pastor

Too many times in my life I speak with my tongue in my cheek (perhaps so I could make more room for my foot in there!). One thing I have always jokingly said is that I want my tombstone to read: "I told you I was sick!" But today we are looking at the final words of the great Psalmist, King David. Wouldn't it be great if we could all calculate what our final words would be? If so, it would seem that we would somehow want to communicate some of the greatest truths we ever came across so that our children and grandchildren (and their kids and their kids and...) would know what was most important to us.

I believe this is exactly what David was allowed to do. He communicates his incredible trust in the Father, the Son and the Holy Spirit in his last words, his last Psalm written in 2 Samuel 22 & 23. His greatest achievement was trusting the loyal love of Yahweh God so completely that he knew that someday the Savior of the world would come through his bloodline, and be qualified to rule and reign on His throne for the rest of eternity. What was it in David that made this possible? I believe it was the fact that he looked forward 1,000 years the way we look backward to the precious shed blood of Jesus cleansing and saving us from our sins! Like the song says, "O what a Savior, isn't He wonderful?"

Blessings,

Pastor Randy & Pam
