

# From the Pastor

I LOVE EASTER SUNDAY! Every other day only makes any sense to me because of what happened on this day. It's the culmination of why there was a Christmas. It's the Cornerstone of our entire belief system as Christ followers. It's what separates us from every other religious organization in the world. It's the reason for my hope that I will not only see the people I love once again, but spend eternity with them as we all learn new and creative ways to glorify our Lord and Master.

We can't even begin to express the joy we feel today as we have several family members with us! My oldest living brother, Ronnie, my childhood hero, one of the greatest athletes I've ever seen, is visiting today from Tennessee, and of course my sister, Zonelle, and her Evangelist husband, Dwight Thompson, and some of their kids and grandkids are with us as well.

Dwight is another childhood hero of mine. He came and held revivals at my Dad's church and I couldn't wait until he came! Dwight & Zonelle have been responsible for leading more people into a relationship with Jesus Christ than anyone I personally know.

With great expectancy in my heart I look so forward to what God is going to do in our Easter Service!

Blessings,

Randy & Pam
