

# From the Pastor

Barry Perez is one of my favorite Evangelists. He's like a walking Bible translator, as he uses his experiences and weaves his way from Genesis to Revelation, helping us to explore the heights and plumb the depths of God's Word. Then, God gives him prophetic insights on those things that are ailing us.

I promise that you will be a part of miracles and healings, and perhaps you just might receive one for yourself! I can personally testify to many various healings in my own body and mind in times past when Barry was here with us.

I would like to suggest that you set aside some time in your schedule. How far would you go to be healed? Are there any of us with the fortitude to press into Jesus this coming week like the little lady in Capernaum with the issue of blood? She was scared but she was determined. She had exhausted her pursuit of healing from doctors, and now it was time for a relentless pursuit of the Master.

Here's the upcoming schedule:  
 Sunday morning: 10am  
 Monday & Tuesday: 6:30pm  
 Wednesday: 7pm

Anyone desperate enough to pursue the Healer? Bring those you know who need a Divine touch...

See you here,

Randy & Pam
