

From the Pastor

Today we begin an in-depth look at the Book of Philippians. When someone truly encounters Jesus--when they taste and see that He is good--one of the great qualities of living out this new Christ-life is this thing called joy.

Eugene Peterson calls a life lived in joy a "life in excess, the overflow of what cannot be contained within any one person." Paul wrote Philippians from a jail cell. His work was under attack by some who were competing against him. He had traveled hard for 20 years and he was tired.

But Paul was experiencing life in Christ in such a deeply personal and intimate way that none of his circumstances could deter him from living a life defined by joy.

Today we will discover a brand new Name for Jesus. It's found in v6 of chapter 1 in the original Greek. I can't wait to share it with you! If you grasp its full implications, this will change your perspective forever.

In joyous anticipation,

Randy & Pam

None of your confidential information will be shared or accessed by anyone but authorized church representatives—**WE PROMISE**. Please see one of our Relentless Youth Volunteer as you arrive or leave from our morning service in the next weeks.

EXPERIENCE WITH “SPECIAL NEEDS’ CHILDREN?...

Do you love kids? Do you love to teach? Do you have a heart for special needs children? If you answer “yes” to any of these questions we would love for you to join our Children’s Ministry team.
