

# From the Pastor

HAPPY MOTHER'S DAY! This is always a really great day in our Church Fellowship. Not only do we honor our Mothers, we honor a Mother's love, which is the greatest kind of love in existence besides, of course, the love of God. That's why we receive our Convoy of Hope offering on this day, because true

love always gives.

This initiative is called "One Day to Feed the World." What if each of us gave a day's wage to feed hungry children, to educate them and their parents on how to grow and sustain their own food, and to empower widowed women to start up their own businesses? Can you envision the kind of impact Convoy of Hope is making all over the world with this type of compassionate teaching how to fish instead of just giving fish?

What better way to fulfill the call of James to have pure motivation backing up what we believe, by reaching out to bless the widow and the orphan?

Thank you, Trinity Life Center, for your great compassion, generosity, and consistency in reaching out to help those less fortunate than ourselves. Just think of how rewarding to know you worked an entire day simply to help the poor and those in need.

240 is the magic dividing number (approximately how many days we work each year), so if you make \$24,000 per year, divided by 240 is \$100 a day, so \$200 per day means you make \$48,000 per year, etc. Our goal this year is \$20,000! Together we can make it happen...

Blessings,

Randy & Pam
