

## From the Pastor

I once heard that those who handle life best are those who expect life to be difficult. The most effective leaders are the ones who expect conflict.

As we approach summer, those of us who live in the desert all long for a day at the beach. But 75 years ago this coming Thursday, our Troops had a day at a beach in France, and we are forever grateful for the sacrifices that were made that day on our behalf.

In an incredible paragraph we are studying today at the end of Philippians 1, Paul perfectly utilizes the Greek language to challenge this church to “conduct yourselves as citizens worthy of the Gospel.”

In other words, start acting like the citizens of heaven that you are. Wow, there’s so much here to explore...

Blessings,

Randy & Pam

**LARRY WAYNE**

Good morning, friends...as pastor of our Christian Education Department may I recommend to you the adult classes offered in our 9am Sunday morning Connect Point hour. They include Basic Christianity, Bible Survey, The 50 Commands of Jesus which will resume mid-July, Learning to Listen to the Lord, and Christian Apologetics which is being offered in our Marriage Builders class. When our children and young people see the value we put on systematically studying the Word of God we set a powerful example for them. I invite everyone to consider joining one of these remarkable Bible Studies.

**THIS WEEK AT MT. MOVERS...**
