From the Pastor

It is worthy that we would deeply reflect on the meaning of today's text where it says, "Work out your own salvation with fear and trembling." So many throughout the years have mistaken this to say that we actually have something to do with salvation, that works added to grace is the real formula that pleases God. Nothing could be further from the truth!

Some churches buy into this messed up way of thinking. Others go completely to the opposite extreme and say that it's so much grace that you can't do anything about salvation, so they don't even reach out to accept the free gift God has given us.

Basically, Jesus paid it all. His gift is given by grace and then received by faith, and remember, "without faith it's impossible to please God." This incredible verse we're looking at this morning has everything to do with the attitude we need to develop once we have salvation, and cooperate with the Holy Spirit to see that Christ is allowed to grow fully and completely in our lives.

More will be revealed,

SERMON NOTES

Philippians 2:12-18 (NLT)

Shine Brightly for Christ

¹² Dear friends, you always followed my instructions when I was with you. And now that I am away, it is even more important. Work hard to show the results of your salvation, obeying God with deep reverence and fear. ¹³ For God is working in you, giving you the desire and the power to do what pleases him.

¹⁴ Do everything without complaining and arguing, ¹⁵ so that no one can criticize you. Live clean, innocent lives as children of God, shining like bright lights in a world full of crooked and perverse people. ¹⁶ Hold firmly to the word of life; then, on the day of Christ's return, I will be proud that I did not run the race in vain and that my work was not useless. ¹⁷ But I will rejoice even if I lose my life, pouring it out like a liquid offering to God, just like your faithful service is an offering to God. And I want all of you to share that joy. ¹⁸ Yes, you should rejoice, and I will share your joy.
