From the Pastor

At times, doesn't the entire world seem to be completely out of control? How many times have people asked you "Where was God" when some awful tragedy occurs? The Biblical answer to that question is in today's text.

Believe me when I tell you that the answer to what God is in control of is captured in one incredible word found at the very end of Philippians 3. That word is translated "ALL." Once we begin to grasp the scope of what God controls, we will rest much easier.

Our goal today is to come to the Biblical understanding of just how much our Omnipotent God has subjugated under His control, and what it will be like when "ALL" is finally subdued and placed under the feet of Jesus.

I look forward to the day when Satan himself cries out from his bent knees, "Jesus Christ is Lord," and when ALL is completely under the authority of Jesus.

Blessings,

Randy & Pam
