From the Pastor

My goal in life is to be a crazy old man. Thank you, to those who believe I have already achieved that! The Apostle Paul was crazy to write and tell this generous group of people in Philippi, as he finally closed his letter, that they could do anything through Christ and that

they were tapped into some limitless supply train right out of heaven.

In the play, Man of La Mancha, we hear about another crazy old man named Don Quixote, who challenges us to dream the impossible dream and fight the unbeatable foe. Listen to his logic: "Perhaps to be too practical is madness to give up dreams. This may be madness, to seek treasure where there is only trash. Too much sanity may be madness and maddest of all is to see life as it is and not as it should be."

Is it madness to take God at His Word of power and provision instead of limiting Him to our earthly limitations? C'mon, why play it safe? Let's go a little crazy dreaming works for Christ that we all know are impossible.

Don't forget that Pastor Gebhart's granddaughter and her family will be with us next Sunday. In his honor, let's shower them with love and kindness and appreciation and gifts!!

Blessings,

Randy & Pam
