From the Pastor

One of the most thrilling aspects of my baseball career was to make a great catch as someone who loved playing center field. There are at least 5 catches that stand out, one in particular that I will tell you about in the sermon.

There is something referred to as 'The Catch' in football, but I can't remember, it's been intentionally wiped from my memory banks, please don't ever bring it up again!

My favorite catch to remember is the Willie Mays catch in the 1954 World Series at the Polo Grounds in New York. After all this time, it's still one of the most memorable catches in sports history.

The greatest catch of all is what I want to look into as we begin a new study in the Book of 2nd Peter. Verse 3 of Chapter 1 says that Jesus 'called' us, but it could also be translated that Jesus 'caught' us for His own glory, and my friends, THAT was and is the greatest catch of all time!

Blessings,

Randy & Pam
