

From the Pastor

So I guess you all know that I still deeply struggle with my theology about heaven. I still worry about people who are from San Diego or Santa Barbara taking their first tour of heaven and saying, “Excuse me Lord, but is this all you got? We’re from (any city with an ocean

view)...”

But one thing that makes perfect sense to me is that the kind of overwhelming and exuberant JOY described in Jude is so different from the joy we all get to experience here and now.

Our joy today is deep and resilient, but it’s simply a tiny foretaste of the joy we will experience in heaven and throughout the rest of eternity!

Forget those crazy, limited views of sitting on a cloud in a white robe playing a harp. Heaven is 20,000 times greater than anything any of us could ever think or imagine.

The next one of us who sheds this mortal body and exits this terrestrial ball called earth—do me a favor and track down my Dad, Mom and brother, and tell them I love and miss them. Then find all those we love who are already there from Trinity Life Center, and tell them it won’t be too awfully long from now that we’ll all be coming home!

Blessings,

Randy & Pam

LIGHTHOUSE MINISTRIES...

have been preparing for this Thursday's big event which falls on Halloween night. Let Christina know if you're able to join them!
