# From the Pastor

I'm so grateful for these brothers from India who, at their own expense, have been flying in from the Bay Area every 4th Saturday to teach us how to fast and pray. They have been here all weekend, continuing to lead us and teach us, and it is time.

It's time we realize that our next steps in this LV Valley will be to knock out the heavyweight demonic forces who think they rule over the Strip. Jesus essentially showed us that, just as there are Arch Angels in heaven, there are also some high ranking fallen angels who have been given a lot of power. They are not to be trifled with, but will only be overcome through fasting and prayer.

They love to isolate us because they know that we are so much stronger and so much better together. Listen, when God's people get together and pray, something happens. But when we gather for a concerted time of fasting and prayer, all of heaven breaks loose and miraculous things begin to happen.

I love you TLC, and deeply desire for us to step up and genuinely take the lead in this area. Pray for me as well, because a great door has opened for me to go and help these men from the Global Prayer Network teach other churches all across North America all about fasting and prayer.

Believing for a 3rd Great Awakening,

Pastor Randy & Pam
