

## From the Pastor

I want to thank Pastor Dave Grecco and his team of talented musicians and singers for bringing Christmas to life today the way only Music can. I want to thank Pastor Mike and his team who work so diligently with our children for putting on this fantastic play, complete with rap music and all (folks, you haven't lived until you've

heard Pastor Mike rap!).

I want to thank that bastion of undisputed truth, Wikipedia, for explaining how the Biblical account of the birth of our Lord in Luke 2 is inaccurate because 'they say' the first census taken didn't happen until 6 AD. Luke actually records the census of 6 AD in Acts 5, but Wikipedia missed it by a mile, because the very first census, the one recorded in Luke 2, the one which would have been totally verified by Mary while she and John and Luke were together for some time in Ephesus, happened around 6 BC. I'll take Mary's account as to why Jesus was born in Bethlehem over Wikipedia any day of the week.

Most of all, I want to thank our Lord Jesus, Who has been alive and well for as far back as our limited, finite brains can grasp. In fact, there never has been a BC, because Jesus Christ, the Second Person of the Godhead, has always existed from eternity past, and was gracious to participate in the Incarnation. The only BC is that awful time in each of our hearts before we invited Him to come and live inside us!

Hope... Peace...and today we light the Advent candle of Joy, all of which can only truly be experienced through a relationship with Jesus! As we wait for Christmas Day, like Mary, hold and ponder all of this in your heart.

Blessings,

Randy & Pam
