

From the Pastor

Sandy Koufax was the greatest left-handed pitcher of all time. He retired when he was 30. Bobby Jones was the greatest amateur golfer who ever lived, he retired from playing in Major golf tournaments (after he had won them all!) at the age of 28. Pat Tillman beats them all. In my book he was one of the greatest Americans who ever lived. He played football for the Arizona Cardinals. At the time he was making millions of dollars, he retired from football at the age of 25 to go and serve his country after 9/11.

I don't really know if Tom Brady should retire. He is the greatest QB of all time. He is 42 and I've heard that he wants to play 5 more years. He reminds me of King David, who in 2 Samuel 21 became weak and exhausted while they were in the thick of battle, where Abishai his nephew stepped in to rescue him from a giant who desperately wanted to snuff out the light of Israel.

Moses never wanted to retire either, until God stepped in and mandated that he pass the torch to Joshua. I've never understood why the Lord gave him so much grief over striking the rock instead of speaking to it...until now. That's what I want us to look into today.

Multiplied Blessings,

Randy & Pam

EVENTS

SUNDAY MORNING CONNECT POINT...

is for everyone. A remarkable group of Sunday School classes are in session every week throughout our campus at 9am for KINDERGARTEN THRU HIGH SCHOOL. We have a remarkable faculty and we are always looking for additional folks who are interested in teaching or who may wish to aid our present teachers.

Presently, adults are served by our MARRIAGE BUILDERS CLASS, which is currently in a Bible Study called, "Love and Respect" which re-enforces relationships taking into account the natural characteristics of both partners. Pastor Dr. Rae & Jane Kelly have joined the co-teaching team. You're welcome to jump right in and join the class.

Also, our BASIC CHRISTIANITY CLASS, led by Pastor Barbara, is hosting Lynora Bayless, who is currently teaching from her own text, Devoted Bodies. The study asks, "Want to look better? Feel better? Get sick less often?" Then you'll want to join them as they dive into God's provision for our health and healing. For this study only the class is meeting at 8:30 to 10am for the next several weeks. This one you won't want to miss!

OUR WEEKLY MT. MOVERS PRAYER MTG...
