

## From the Pastor

I can barely contain my enthusiasm over how God is moving in our church and in the entire Las Vegas Valley! The strategy has been prayer, fasting and prayer, repentance, and obedience. Add to that believing, genuine child-like faith and NOW the miracles will truly begin to flow.

As a matter of fact, at the end of our worship time this morning I'm going to call those forward who need a miracle. Prepare your heart right now as you read this. Are you desperate for God to intervene in any area of your life today? Then please come forward when the call is made, with childlike belief in your heart that the miracle-working God is ready and available to begin the change we need right now.

Today we are going right back to the basics, the Big 10, the 10 Commandments. Are they still relevant for today? Let's really explore what Moses told Israel to prepare them to take the land. And since we are preparing to take our land, well...

Here we go,

Randy & Pam
