

## From the Pastor

Pam's mother was a genius in the kitchen. One thing I saw her do many times, and it's a gift she transferred to her daughter, was to accurately access the smaller size of the container into which she would now pour what remained in the bigger pot.

I can't tell you how many times I have told my darling wife to please get a bigger container because she is about to make the biggest mess, only to watch her silently fill the one she selected perfectly to the brim, and then just kindly smile at me.

God gave us the 10 Commandments. The Psalmist King David poured all of that into 8 statements in Psalm 15, and Micah the Prophet capsulized them all in a smaller container in Micah 6:8.

Then Jesus came along and placed them all in one beautiful tiny package when He said, "Love the Lord your God with all your heart, soul, body, mind and strength (the first 4 commands) and love your neighbor as yourself (the 6 we will be looking into today).

It's not rocket science. God wants us to receive and then respond to His love so much that it spills over into loving ourselves in such a way that we can't help but live by the Golden Rule and genuinely love our neighbors. There's even enough love leftover to even love Chief and 49er fans!

Loving you all,

Randy & Pam

An usher will be happy to point them out if you have yet to meet them!

**A SOVEREIGN MOVE OF THE HOLY SPIRIT...**

**THE DAUGHTERS OF THE KING...**

will hold their next Assembly meeting in two weeks on Saturday, Feb 15 from 11am to 1pm. Olema Romero will be the guest speaker and her topic will be on "Prayer".
