

## From the Pastor

I'm absolutely fascinated by Jewish people. They put rocks on their graves instead of flowers, because rocks last and flowers fade. When you ask someone very familiar with the Torah, "Hey what's the point? What's the real meaning of life? Where do any of us find purpose for existing on this planet," they will point you immediately to

the Scripture that is our primary text today in Deuteronomy 6. It's known as The Great Shema. They pray it every morning and every night, sometimes up to 5 or 6 times a day. This is what anchors them to something solid.

This is the original word order in Hebrew: "(Emv) Hear, O Israel, Yahweh, our God, Yahweh One (Dja)."

So now, in Hebrew, we take the two capital letters from the parentheses, DE, and in the Shema this becomes the word 'ad' (pronounced odd), which means witness. The orthodox Jewish belief is that anyone who pronounces the Shema, as they complete the last letter D, they have actually now become a living witness to the truth of the Great Shema and a witness to the Living Yahweh.

But the key to all of this solid rock mind gymnastics, is what immediately follows: "You shall love Yahweh your God with all your HEART, with all your soul, and with all your everything else."

The HEART is the central theme of the Bible, it's right in the center of all of us, and if we are ever going to figure out what the point is, then we are going to have to reawaken our HEARTS!

Happy Valentine's Day,

Randy & Pam
