

**“THE SOLUTION TO
EVERY CRISIS”**

Acts 2:1-13 (OG)

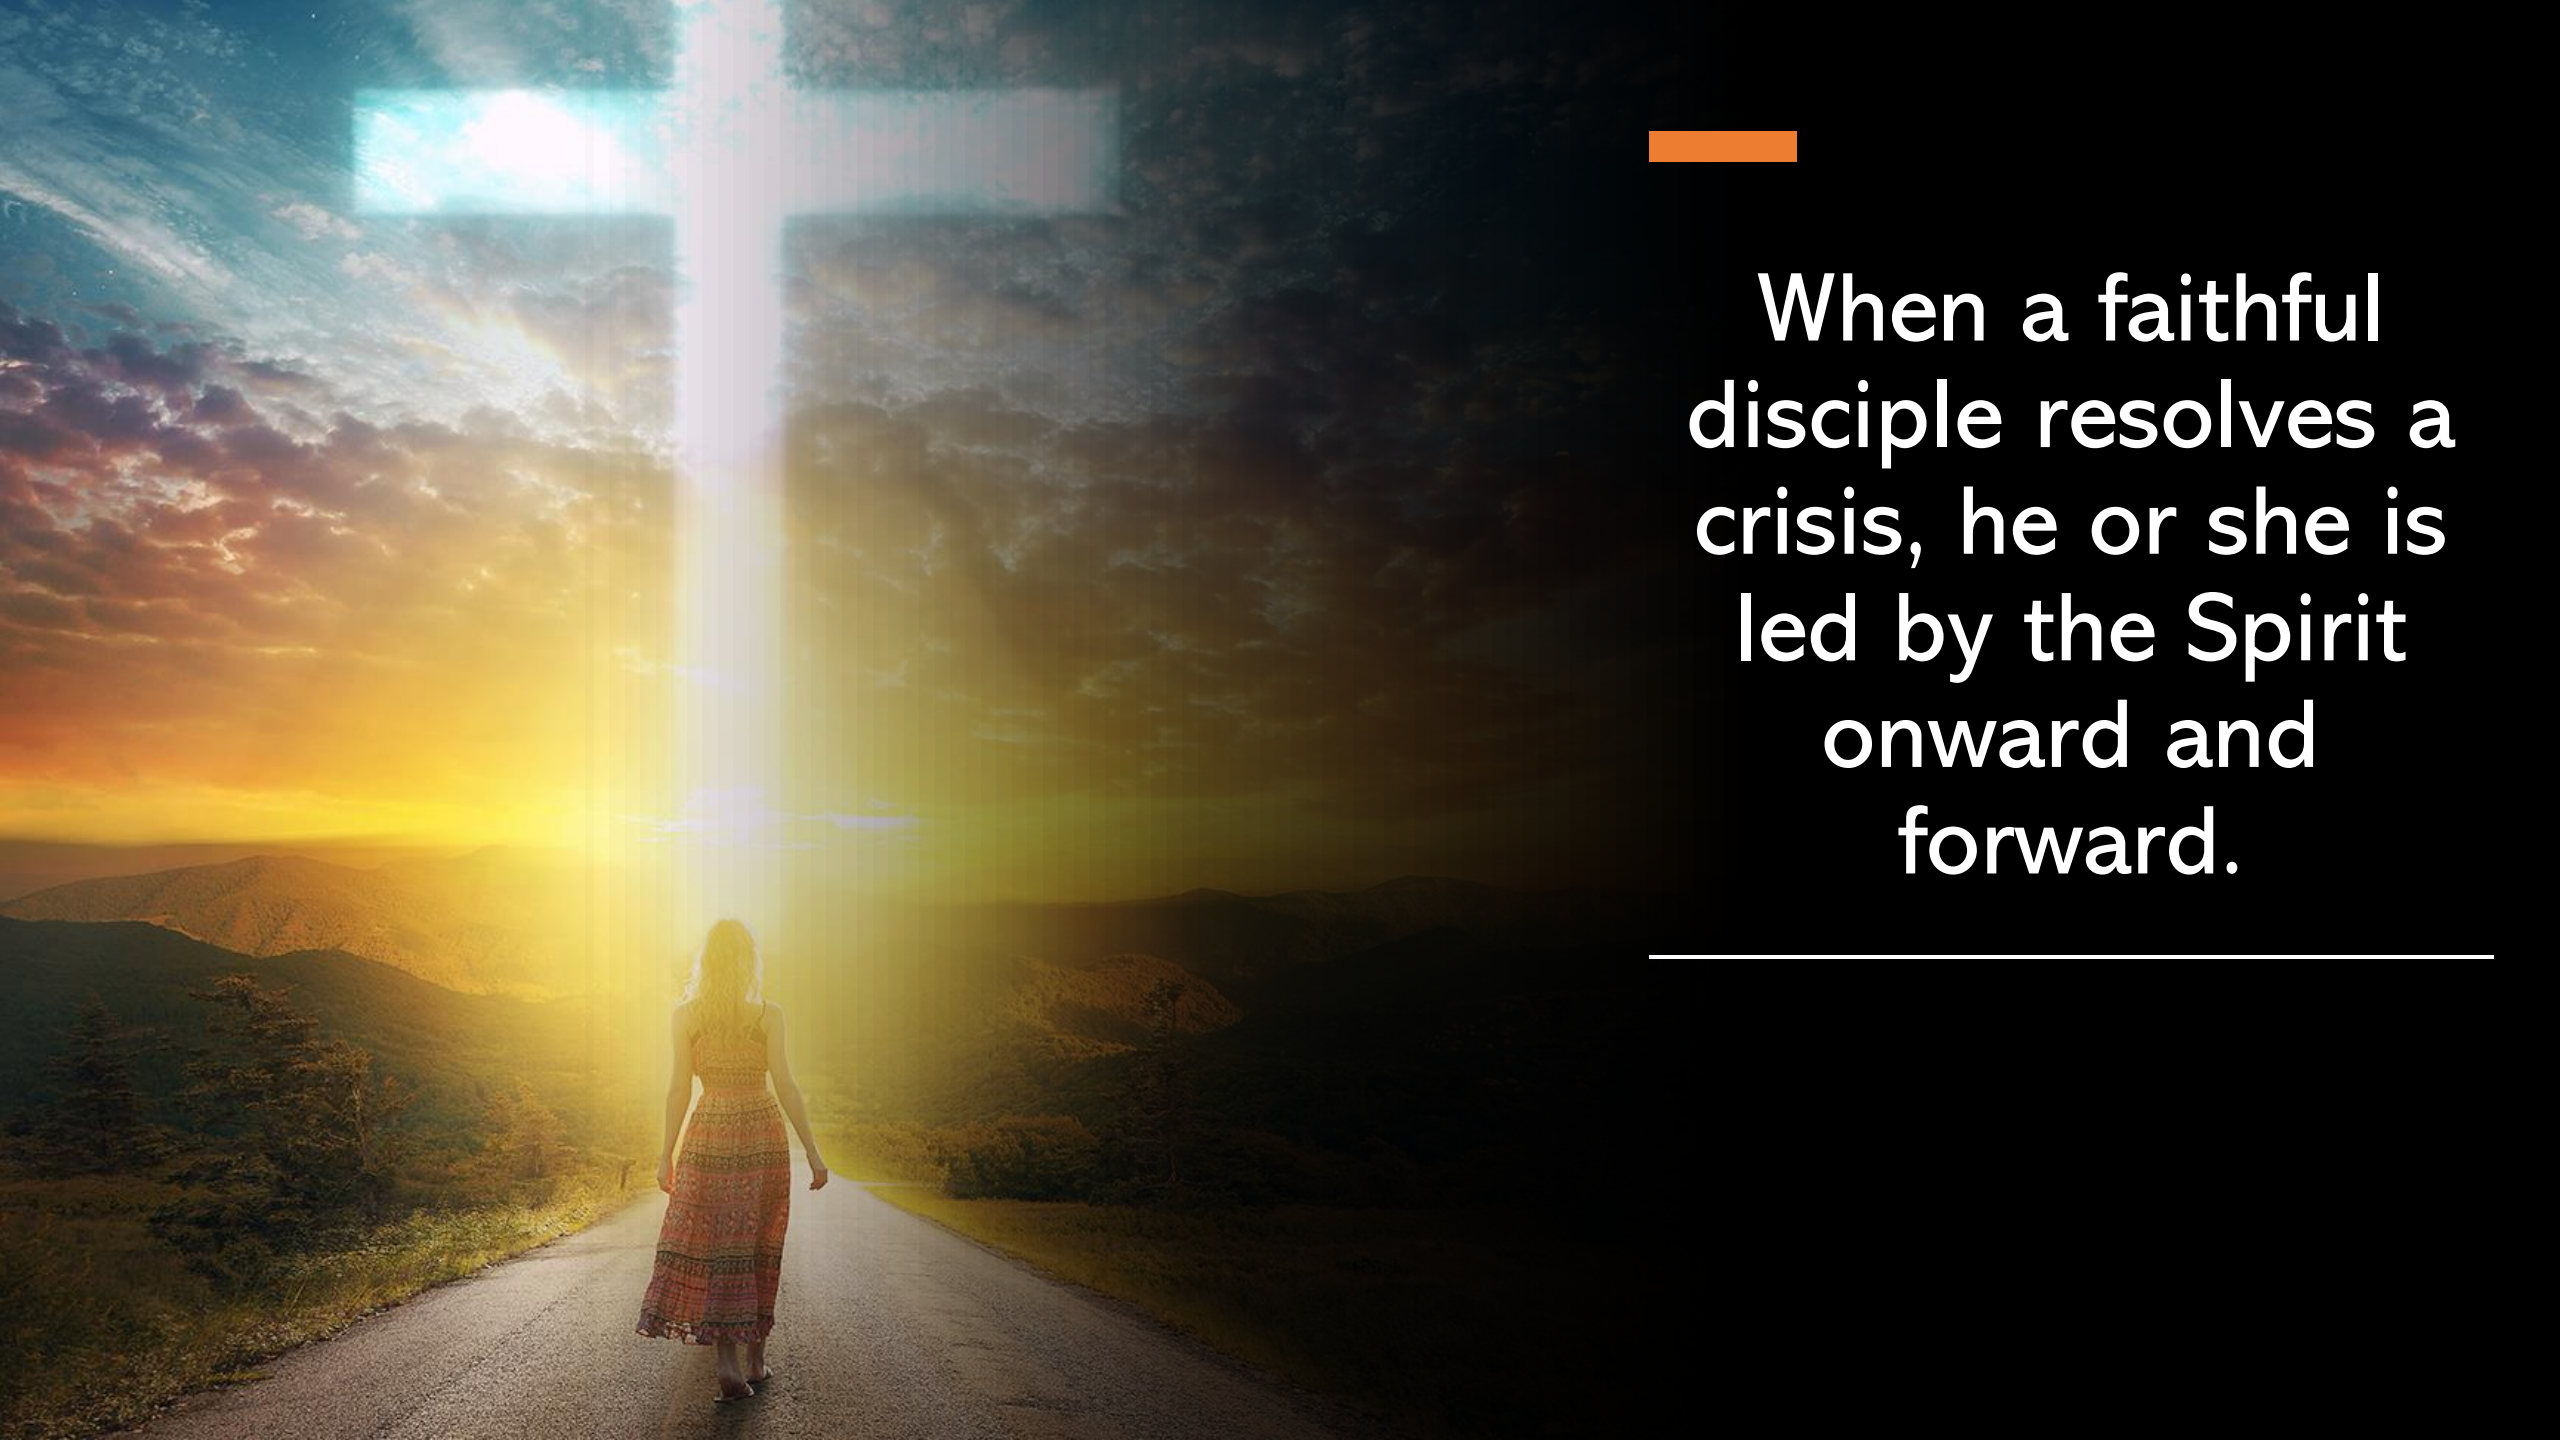

In their fully coming, the day of Pentecost, all were together upon the same. Suddenly, a wind came out of the heaven, with a sound as a violent wind and filled all the house where they were being seated and appeared being divided over each of them tongues as of fire and it sat upon each one of them, and all were filled with the Holy Spirit and they began to speak in other tongues just as the Spirit was giving to speak to them. There were into Jerusalem, Jews dwelling, Godly men from every nation of those under the heaven. Coming of this sound, the multitude gathered and they were bewildered because they were hearing each one in their own dialect in the speaking of these. They were continually being amazed and they were continually marveling saying, "Are not all of these, the ones speaking, Galileans? How are we hearing each in our own dialect in which we were born?"

Acts 2:1-13

(TPT) NE & NWern Iranians, Elamites, and those from Mesopotamia, Judea, E. Central Turkey, the coastal areas of the Black Sea, Asia, N. Central Turkey, S. Turkey, Egypt, Libyans who are neighbors of Cyrene, visitors from all over the Roman Empire, both Jews and converts to Judaism, Cretans and Arabs. (OG) we are hearing these speaking in our own tongues the things about the majesty of God.” And all were being continually amazed and they were being continually confused saying to one another, “What will this be?” But others were sneering and they were saying, “these are having been filled with new wine.”

The Sunday we
celebrate the beginning
of the Church through
the descent of the Holy
Spirit.

When a faithful
disciple resolves a
crisis, he or she is
led by the Spirit
onward and
forward.

The solution to the current crises, or any crisis any of us will ever face, is to be filled with the Holy Spirit.

Phil. 2:2 (AKJV) “fulfill ye my joy, that ye be likeminded, having the same love, being of one accord, of one mind.”

It's the unity of heart that draws the Spirit. It's the oneness of mind in the Church that causes the power of the Spirit to flow. It's the singular flow of agape love we exhibit to one another that causes the Spirit to descend.

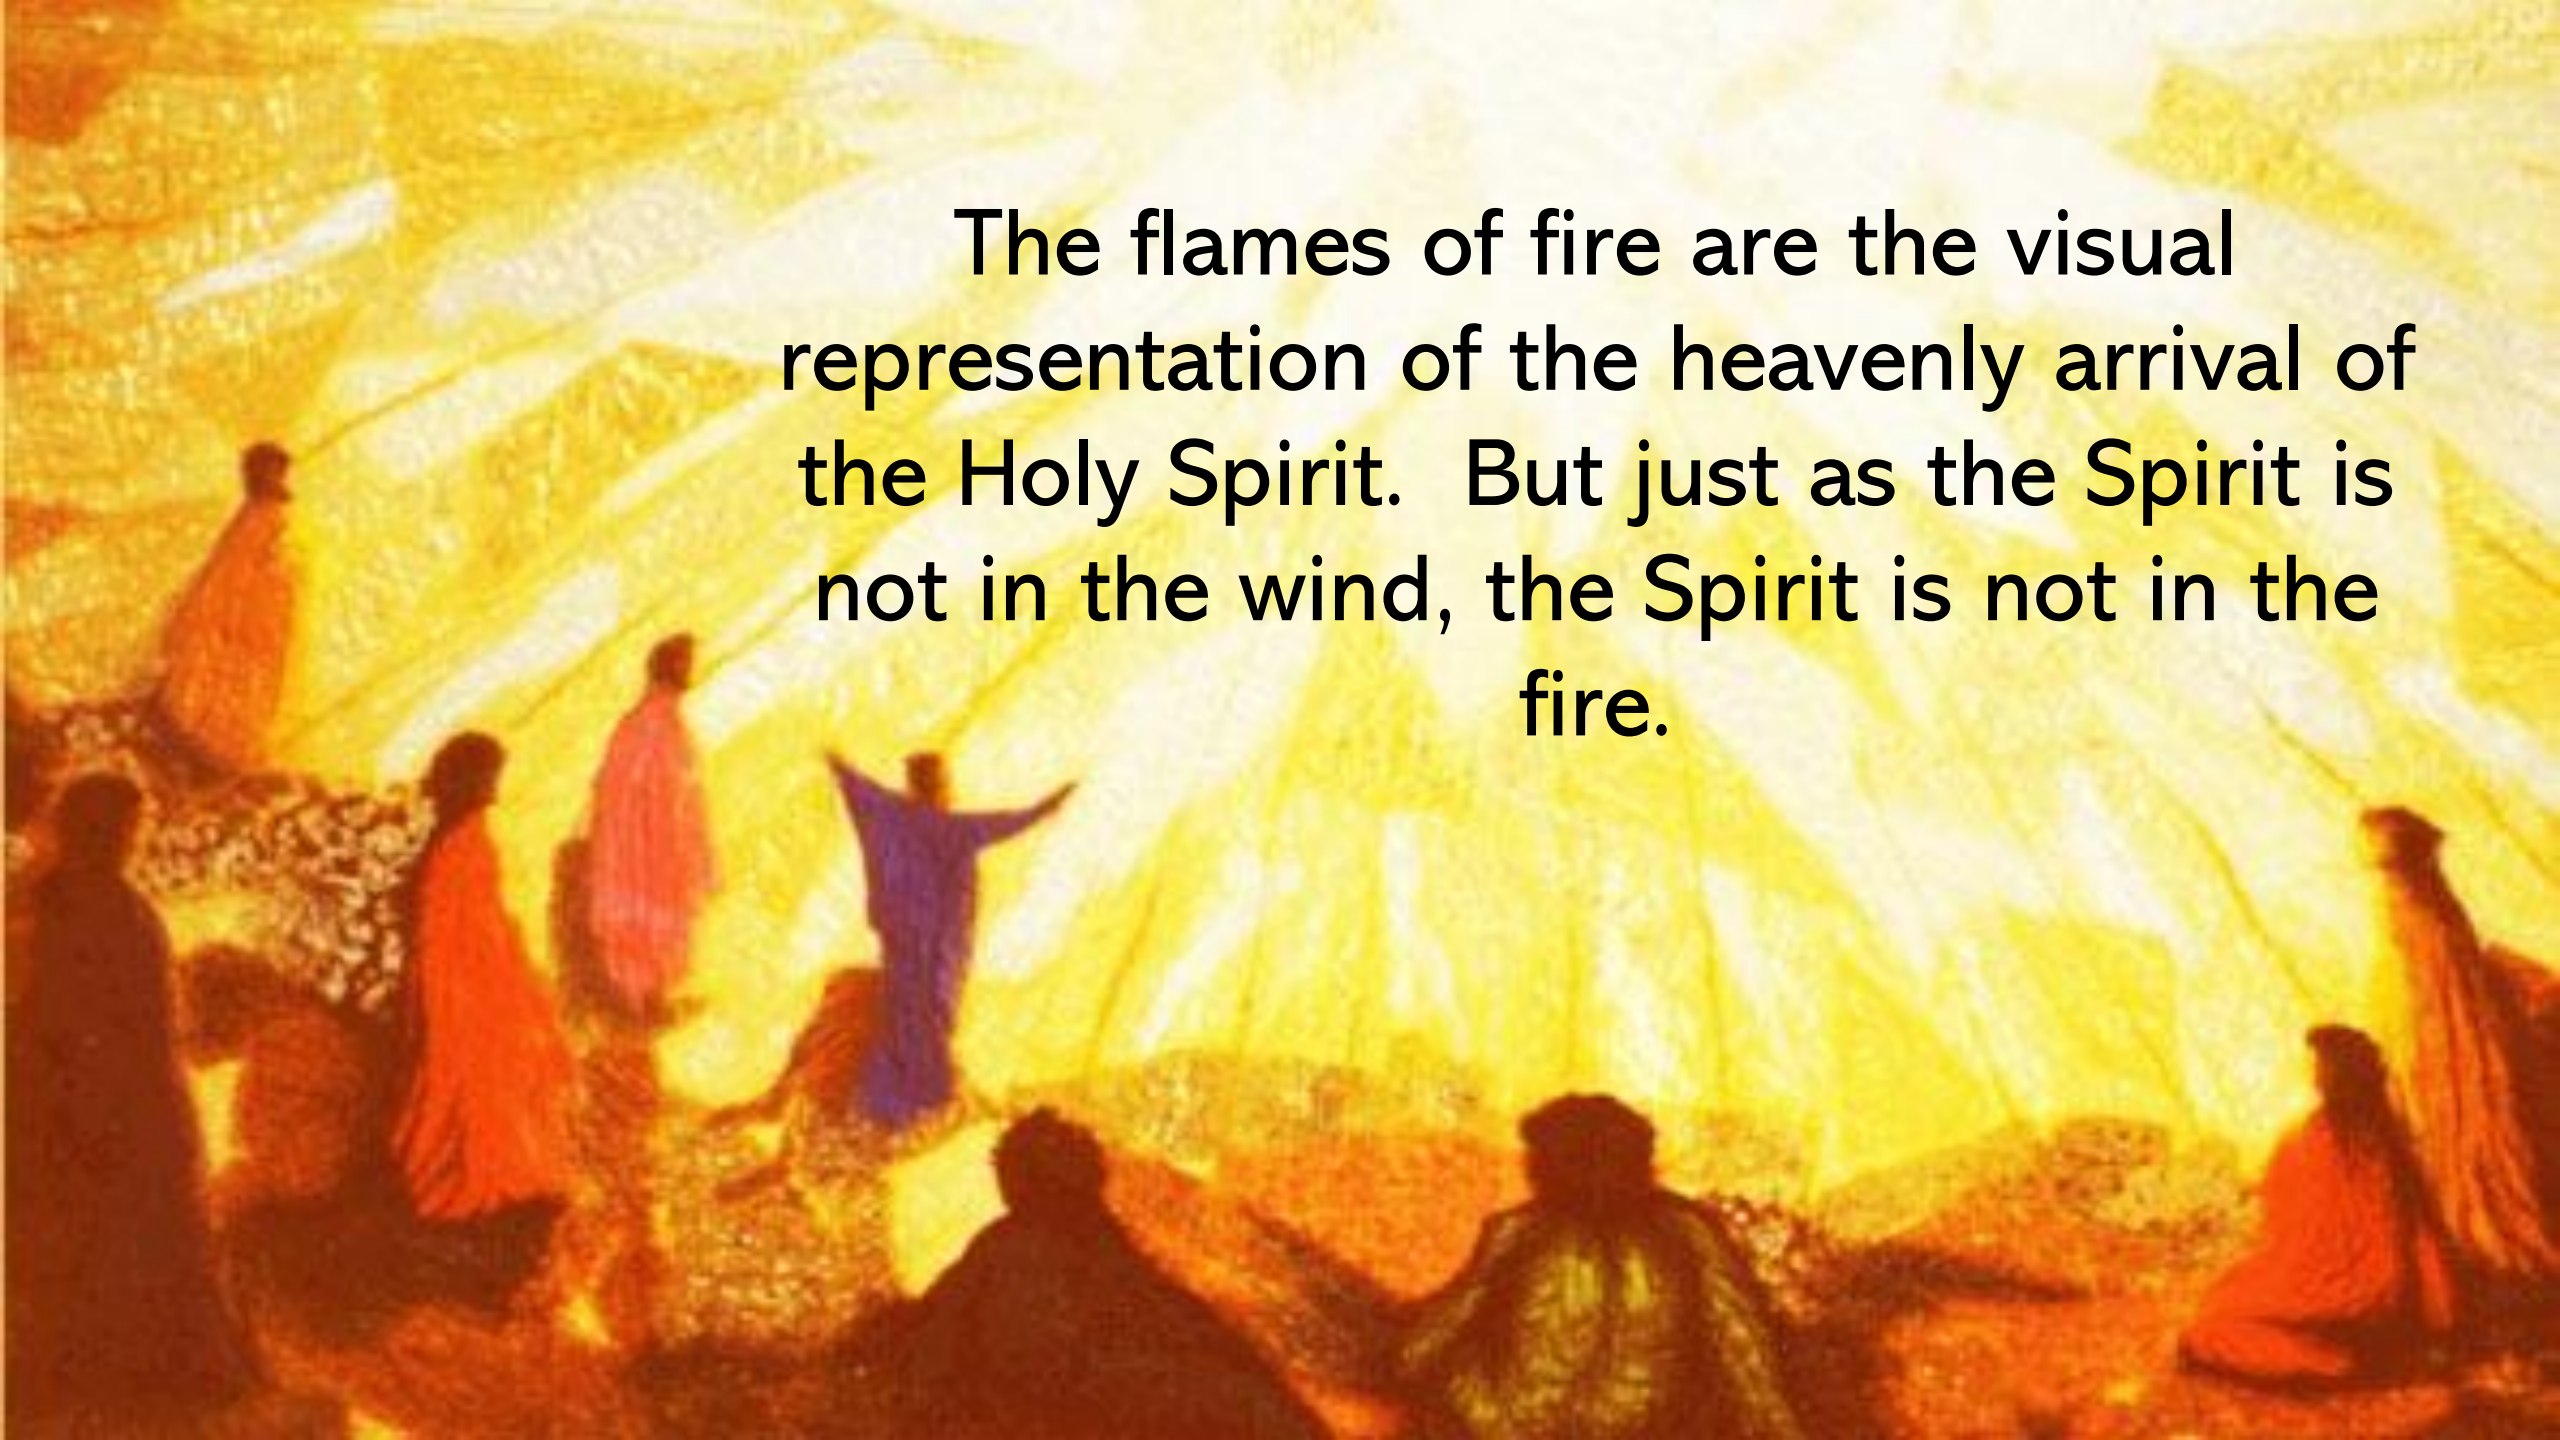

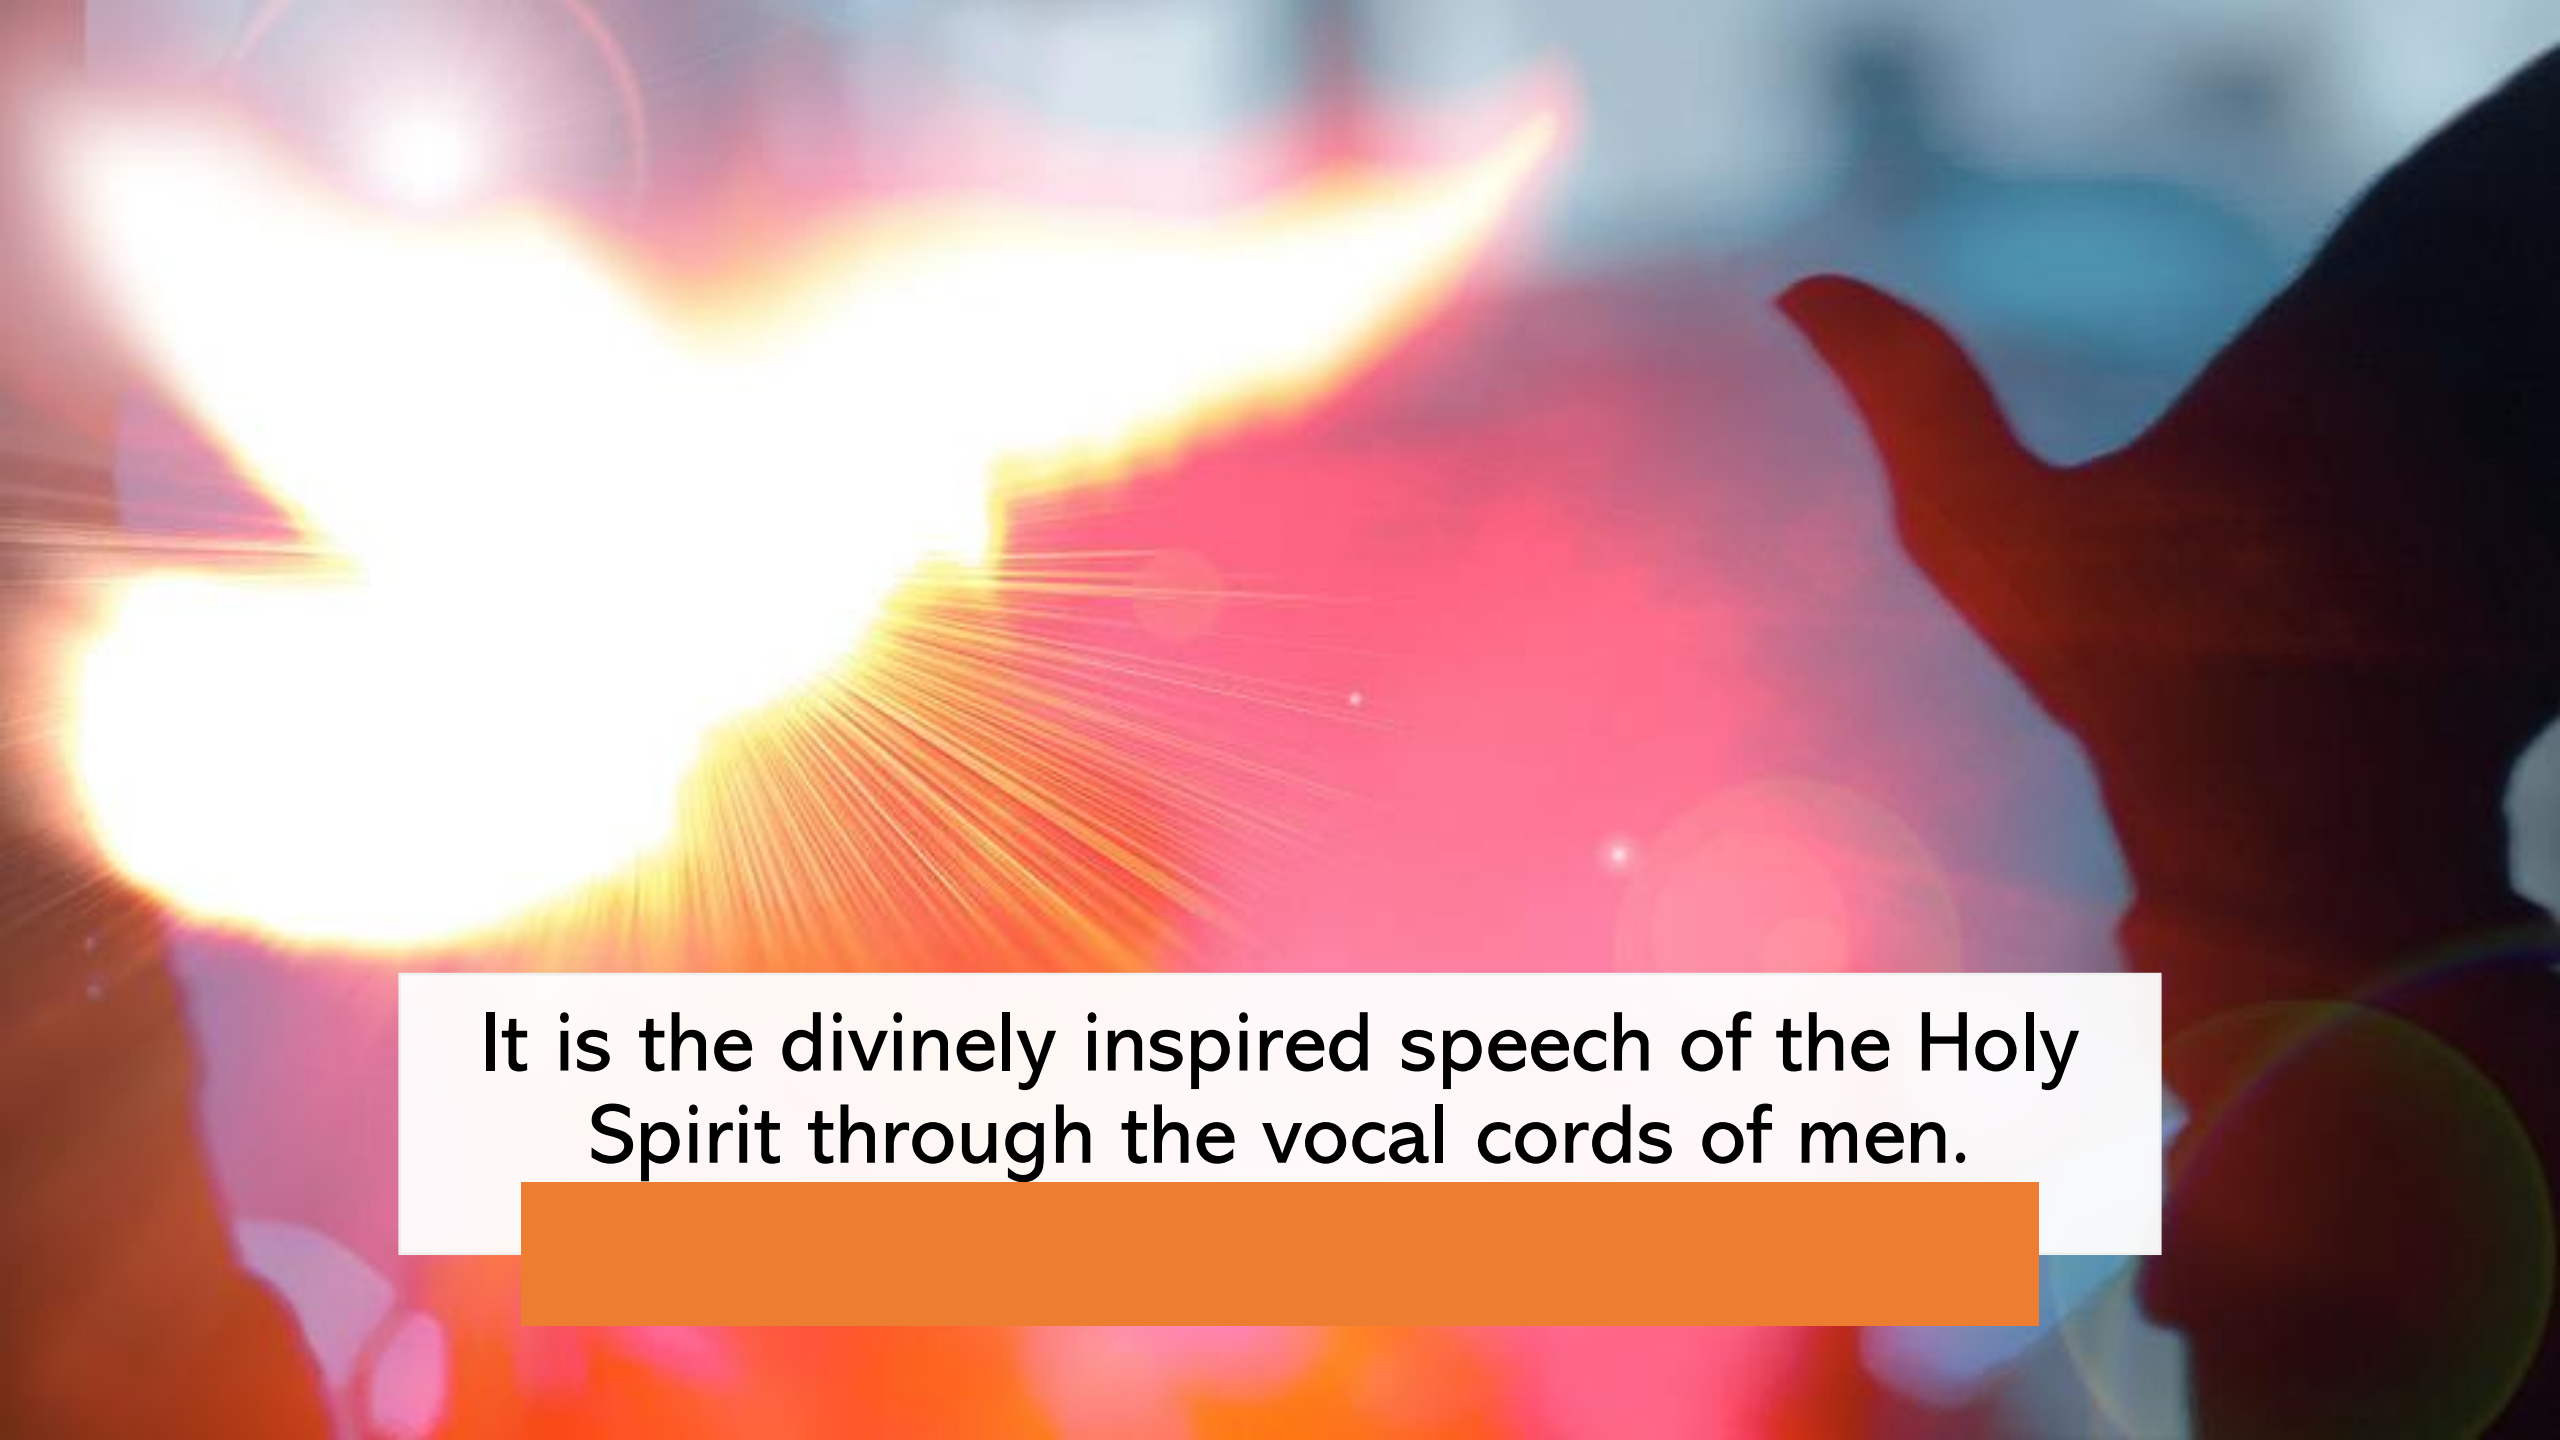

A heavenly, terrifying, and majestic
sound whose origins were from the
very throne room of God!

**A powerful,
violent
windstorm is the
main thrust of
the words used
by Luke.**

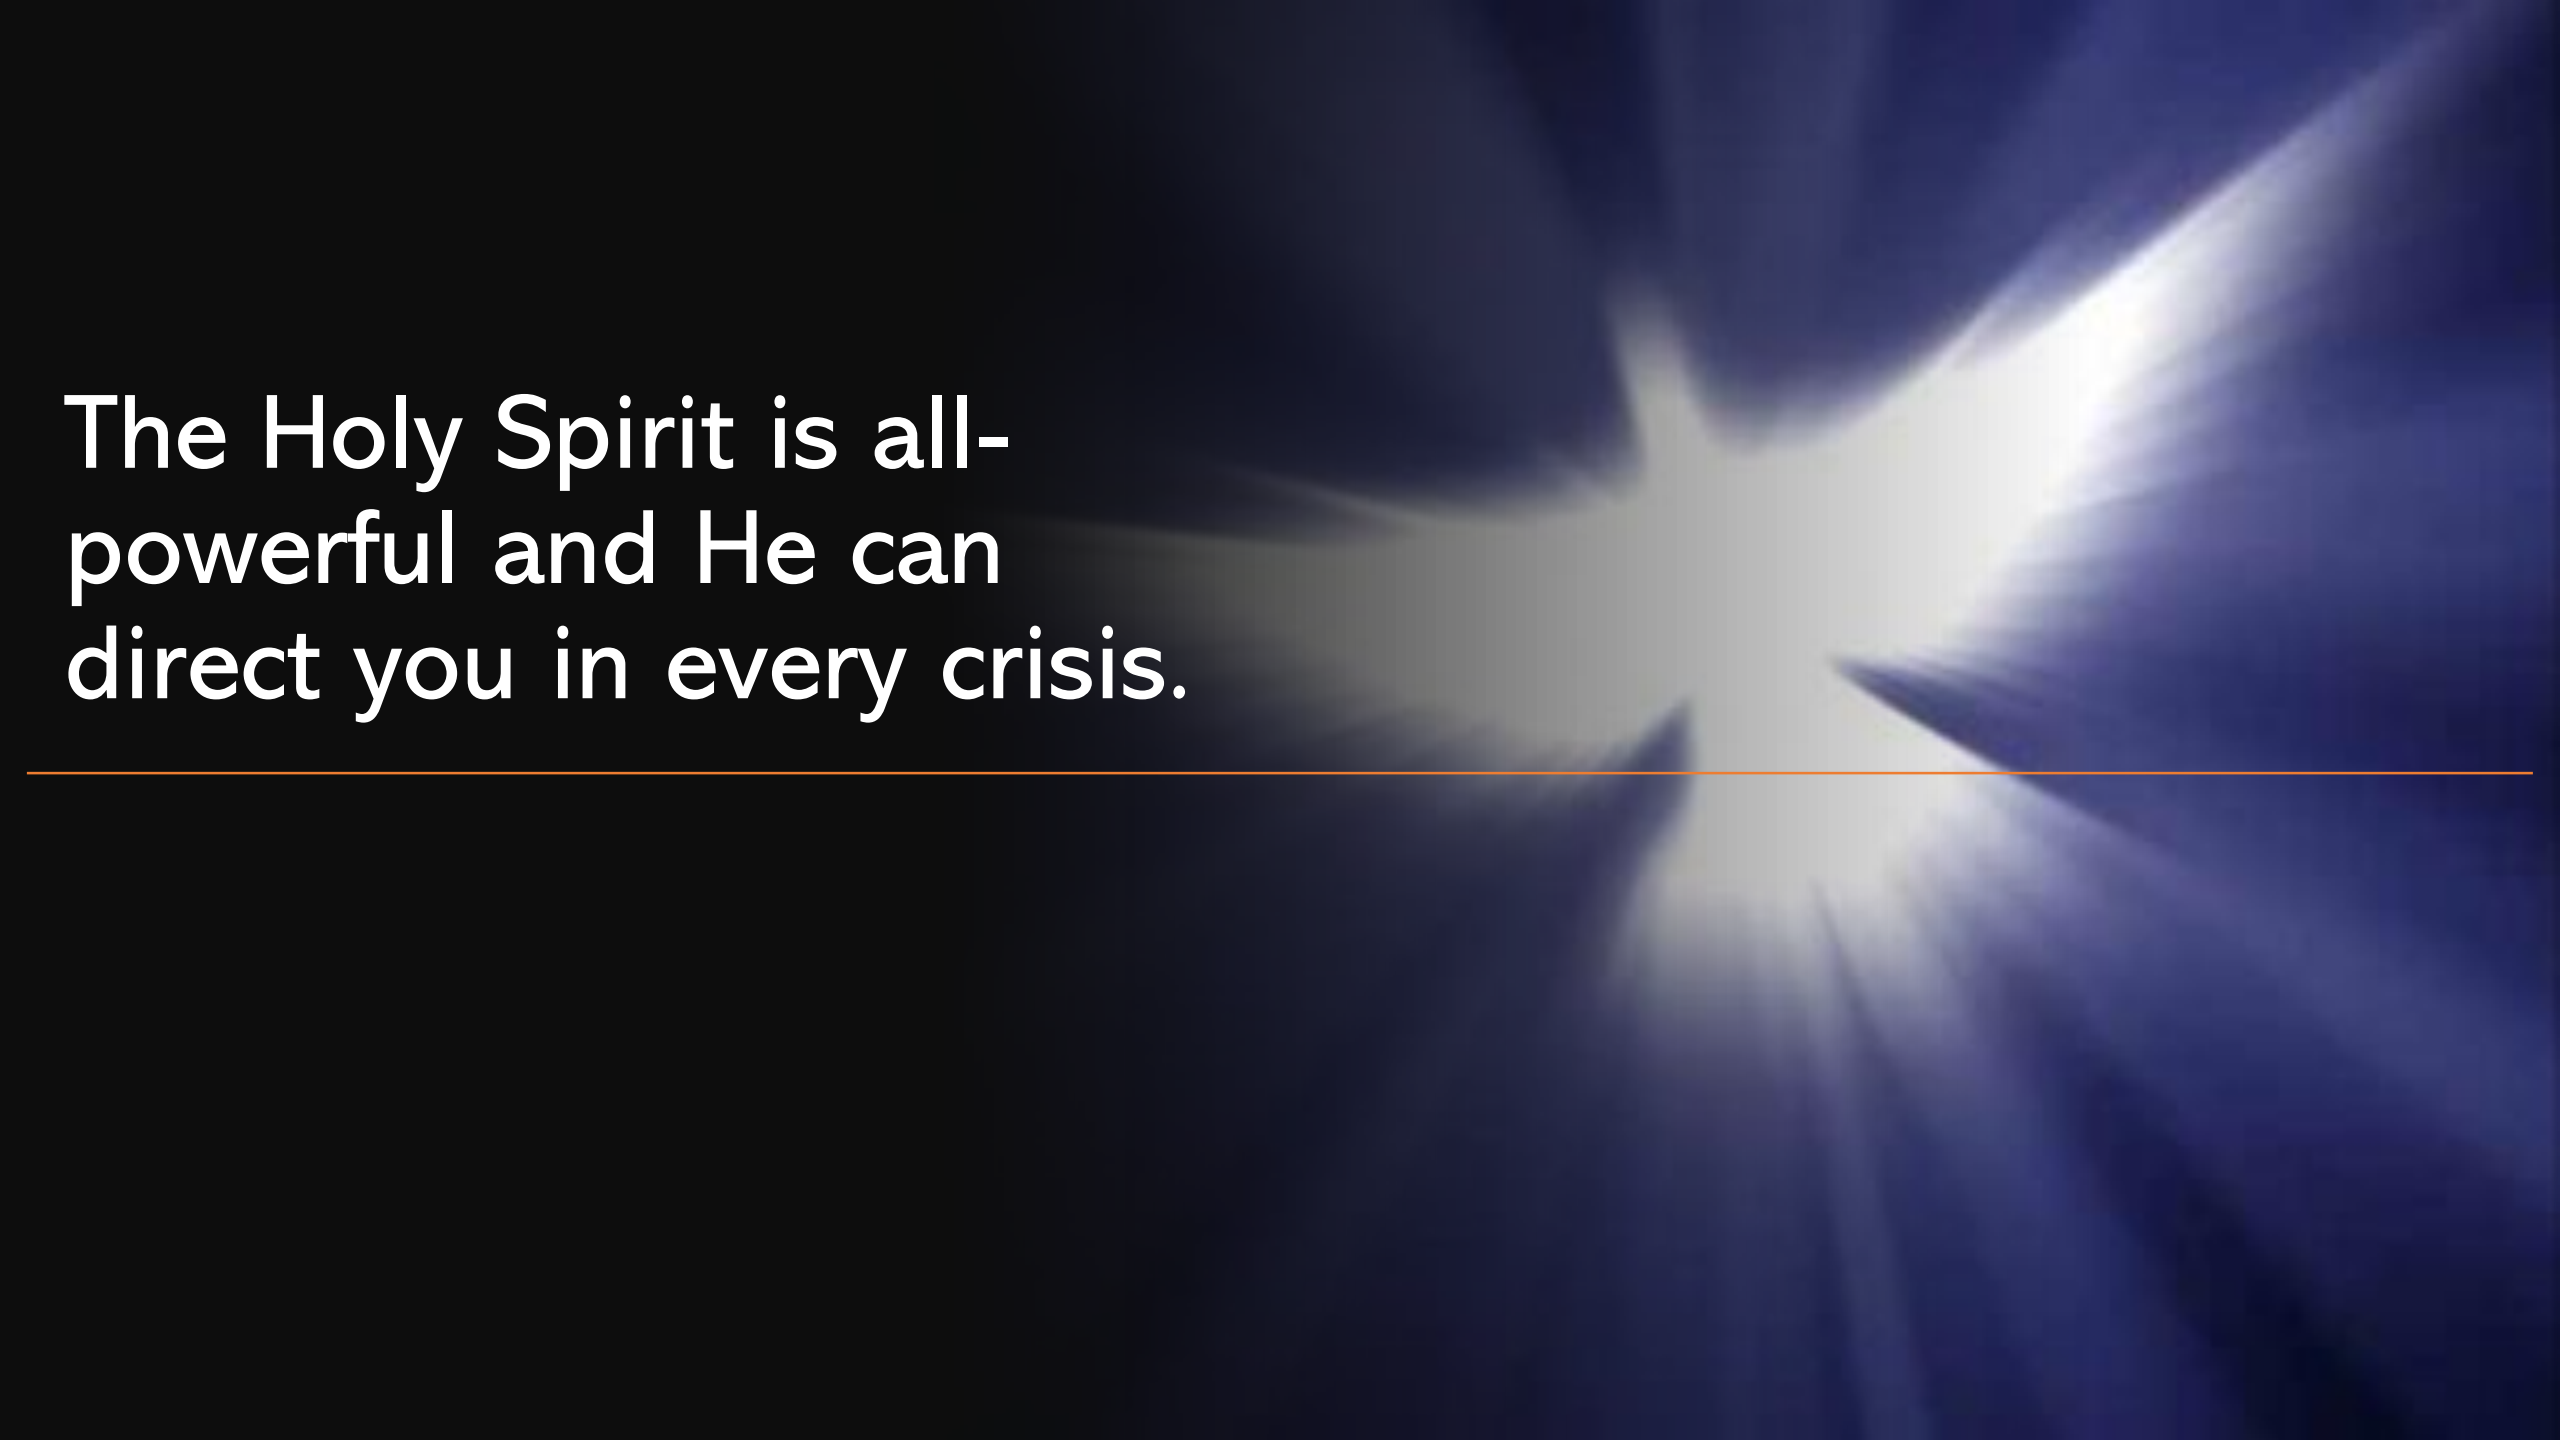

The flames of fire are the visual representation of the heavenly arrival of the Holy Spirit. But just as the Spirit is not in the wind, the Spirit is not in the fire.

It is the divinely inspired speech of the Holy Spirit through the vocal cords of men.

They didn't just speak the language with correct grammar - they imitated the accent perfectly.

The Holy Spirit is all-
powerful and He can
direct you in every crisis.
