# From the Pastor

First of all, what a privilege to honor a few of our graduating Seniors today! We are so proud of each and every one of you. Congratulations, this is a wonderful accomplishment. And of course, we honor you today, Dad! Thank you for being courageous, and thank you for

understanding that everything you do matters. It's up to us to pass the baton to the next generation. Let's continue to do our best to do just that. Dad, continue to be the best version of you. That's what our kids need.

The greatest example of a father in the parables Jesus taught was the Dad of the Prodigal son. His sons both would have preferred that he was dead. When he gave away the inheritance, the original language depicts that he gave up his 'bios' which means he gave the boys his very life. He was maligned and ridiculed in the community, but he was steadfast and unmovable—and he never gave up on his kids! He watched and he waited every day, believing that his dead son would return home and his older son would develop some of his compassion. The greatest part of the story is when the prodigal returns, instead of beating him within an inch of his life, the father restored him to his full position as a son, and even gave him the family credit card. And get this: Jesus was talking about the way our Heavenly Father will relate to any of us who return to Him, regardless of how badly we have messed things up!

Something to really think about,

Randy & Pam
