

From the Pastor

In today's text, the most vulnerable, the poorest of the poor -widows - and Pastors are considered to be church royalty. But hold on a minute. According to God's Word, every human being counts, from the cradle to the grave. Each and everyone of us are valuable contributors to the Kingdom of God.

I love our church because we are a beautiful bouquet of people from many tribes, colors and backgrounds, and we vote blue and we vote red. Blend those two colors together and you get purple. Purple is the color of royalty.

The best way for our entire church to be royal is that we mature enough to quit squawking at each other politically - grow up, mature, and agreeably disagree all the way to the restaurant. And by that I mean we must fellowship together and love each other and spend time getting to know each other. Pick someone totally different from you and ask them to join you for a meal and just say, "ok, what's your story?"

You'll be surprised by the diverse life experiences people have had in our church body. What an incredible group of people you are, Trinity Life Center! Pam and I love you with all of our hearts.

Be blessed,

Randy & Pam
