

From the Pastor

Back in the 1930's, 5 wives of men who came here to work on the Boulder Dam met each other and began to pray for a significant Pentecostal work to take place in Las Vegas. Our church is the result of their prayers! We stand on their shoulders today.

Once again, this weekend, we have been re-digging the wells of Revival and continuing to ask God for a Sovereign Move of the Holy Spirit, a 3rd Great Awakening in America and around the world. God hears and answers the prayers of people who are not afraid to humble themselves and fast and pray, which we have been doing all weekend long.

Bro. Samuel Victor is my friend and colleague. We have been fasting and praying together now for several years. GPN (Global Prayer Network) is the ministry he started which has worldwide impact. I am privileged to share our pulpit with him once again today.

I want to encourage you to spend time with your family this week, no matter what you hear from the Media or our State Government. In Oregon, you aren't supposed to gather for Thanksgiving, but you can burn, riot and loot in downtown Portland all you want. Somebody give me an egg-sucking break.

Certainly continue to protect yourself at all times, but please stop living in fear. Let's get on with our lives, and let's take care of God's business. Please join us on Zoom this Wednesday for our candlelight Thanksgiving Eve service. The Zoom code is listed and also on our website.

We love you all,

Randy & Pam
