

From the Pastor

I went through a period of time when I was younger where Christmas really bugged me, or at least what we had allowed it to become here in America. I was a real Easter guy because Easter was a little more pure, a little less commercialized, and of course for believers Easter is really what it's all about.

But then one day, and I'm not even sure when it happened, I had a Revival in my soul. I began to approach the Christmas Season once again like a little child, wide eyed and innocent. And I rediscovered the wonder of what our God accomplished, and now it will always be miraculous and filled with hope, peace and joy - certainly worthy of celebrating on a grand scale!

Just think: when we wanted to communicate with the possibility of extraterrestrial beings, we sent a rocket ship full of what life on earth and what we humans are like, which of course included music, artwork and poetry. But when the Intelligent Being Who created this marvelous Universe wanted to communicate with us, He sent a Baby. And that Baby grew up expressing to all of us what God's Glory was all about. Let's look into that today...

Blessings,

Pastor Randy
