

From the Pastor

Every dramatic rescue in the world grabs our attention because it's just part of the human DNA to want to be saved out of difficult situations. Humans get lost in the mountains, in caves, we fall down wells - if you have ever experienced the need for someone to come along and rescue you from your troubled circumstance, then you know exactly what I'm talking about.

But the greatest rescue of all has already taken place! Galatians 1:4 tells us all about this incredible rescue plan that has already taken place for everyone in the world IF they will just reach up and take the help already provided. Can you imagine telling your Rescuer "no thanks" when He shows up, why would anyone actually do that?

Verse 4 in the New Living Translation says, "Jesus gave His life for our sins, just as God our Father planned, in order to rescue us from this evil world in which we live." Like the Coast Guard who shows up with a long rope and a basket, Jesus came to 'pluck us up and out' of this present evil age. Maybe it's time for all of us to ask ourselves if our presence on social media reflects our current position in Christ - plucked up and out, seated in heavenly places, like Moses with Aaron and Hur at his side, sitting above the turmoil spending time in prayer about the battle taking place below.

Something to think about,

Randy & Pam
