

From the Pastor

In today's sermon, I'm going to introduce you to the richest heir in the world, and you might be surprised by who it is. This person received the largest inheritance ever heard of, ever known to mankind.

The crazy thing is, it's someone we here at Trinity Life Center all know! When I was told the amount of this inheritance, I was absolutely speechless. I can't wait to let you know more about it.

Today's text talks about our inheritance as believers in Christ Jesus. Until she went to be with the Lord, we had a wonderful lady here in our Fellowship that would get up early, dress up, put on her makeup, and wait all day for the doorbell to ring on the day Good Housekeeping was giving out their annual prize.

I could be wrong about this, maybe I'm projecting, but I think innate in all of us is a desire to receive a large enough prize or inheritance to significantly impact our lives. And I think we all want to leave an inheritance to our church (notice how I sort of slipped that in there 😊) and our children, if we think they are mature enough to handle it correctly.

Today is going to be a wonderful day. And for those of us who know and love Jesus, be assured that the greatest inheritance is ours now by faith, and we will enjoy all the fullness and riches of Heaven throughout the rest of eternity!

Wow! Blessings,

Randy & Pam
