

From the Pastor

We have been working our way through Galatians and today we come to the passage concerning the Fruit (not fruits) of the Spirit. The one and only Fruit of the Spirit is the agape Love of Jesus Christ pulsating throughout your being, which results in the other 8 characteristics of joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.

Love, loving the way Jesus loves, is the key to Life! This law of Love is the only law believers in Christ live by! If I love Jesus, and love like Jesus, then I will fulfill His Commands which were designed to protect us while we protect others, and in the process we build up our society and we will draw closer to God.

This is the only way we will ever win America back to Christ. They have to see us expressing our Faith through the way we Love. This isn't limited to loving each other, which is definitely a good start. But the real litmus test is when we love the unlovely, the unlovable, the detestable, the most disgusting person in your world. At this point, love has nothing to do with how we feel, and everything to do with the decision we make.

Let's choose to love. Let's choose to forgive. Let's live unoffendable lives! Psalm 119:165 says in The Passion Translation, "There is such great peace and well-being that comes to the lovers of Your Word, and they will never be offended." Man, I want to live and I want to love like that! How about you?

Blessings,

Randy & Pam

EVENTS

"WHY I LOVE YOU"...

Pastor Vic & Sara Caruso are inviting 20 married couples to join them on **Friday, June 11**

from 6-9pm in the Fellowship Hall for a night where we will count 5 main reasons why a man and a woman get married and what they do after to make that marriage successful and secure. If you have a strong marriage, a weak marriage, or an in-between marriage, it doesn't matter. We need to make time to celebrate that union, to look at it from all different angles and to make certain that it is the most important thing. We will learn the 5 areas that will enlighten you, inspire you, challenge you, and equip you to make certain that 2021 is the very best year of your marriage. Hope to see you there!
