

## From the Pastor

HAPPY 4th of July! Happy Juneteenth! Happy Freedom in Christ, Holy Spirit Dependence Day which is Everyday for the rest of our lives on this planet and into eternity!!

This is what the Apostle Paul wanted the Galatian people to grasp. Don't go back to rules and regulations. That may give you an appearance of holiness, but you're giving up the Real Deal for something totally counterfeit.

The folks who left England to establish a new country where there would be freedom to worship never looked back. They were willing to die in order to obtain this freedom. They so loved their New England that they took the same tune from 'God Save the Queen' and changed the words to become 'My Country Tis of Thee.'

It occurred to me that these 13 colonies or states had no idea of the vastness of the land they had come to love, which made me wonder just how much of the freedom I love and have through my relationship with Jesus Christ - how much of that freedom have I yet to tap into?

How about you? Are you living anywhere near the vast potential that is ours because we are free in Christ? What vistas are yet unexplored - what mountains have you yet to discover and then climb? Although we will have all of eternity to climb every mountain, let's keep forging ahead now to discover as much of God's freedom in our lives that we possibly can!

Blessings,

Randy & Pam
