

## From the Pastor

What a question Jesus asked in our text today. This unnamed man had been paralyzed for 38 years. Jesus was about to transform his life, but He wanted to know if this guy was ready for all the ways his life was about to change. “Do you want to get well?” “Do you want to be made whole?”

I believe Jesus was letting him know that he would now live a life filled with responsibilities (and greater privileges than he had ever known!). He would no longer be able to play the victim, living his whole life based on superstition and making excuses. I believe Jesus was also trying to prepare him to make the most incredible paradigm shift of his life.

From now on, his entire life would be one of devotion to Jesus and telling everyone about what the Master had done for him. I sometimes chide myself for not being a better witness, for not telling more people what Jesus has done for me. Do you do that? The Good News is that we are witnessing every day, because whether we know it or not, people are watching how we live.

The other day, a young man told Pastor Vic that he has been watching his life, and he wants to model his life after Vic. He wants to be a husband and a father the way Vic is. You would think that would come from some of our young disciples, but to my knowledge, this young man is what I call a not-yet-Christian.

He has a rude awakening coming if he thinks he can emulate Vic’s life without surrendering his entire life over to Jesus. Let’s pray that not only this young man, but so many others will encounter a paradigm shift, and start following hard after God. It’s going to happen because Jesus has made it possible for us to be transferred out of death and into life! That means we are going to live forever. Hallelujah!

Blessings,

Randy & Pam
