

From the Pastor

Today we step quietly and lightly into what is considered the one chapter in the Bible that corresponds most closely with the Holy of Holies. That chapter is John 17, which details the High Priestly Prayer of Jesus, and just for the record, this is The Lord's Prayer!

So slip off your shoes as we tiptoe in to listen as Jesus prays intimately to the Father. Today He prays that He will be glorified, which sounds selfish but actually is just the opposite! This is a prayer associated with suffering. It's as if Jesus is saying, "Father, allow Me to bring You glory by accepting my assignment of going to the Cross, and in turn I pray that afterwards I will be allowed to return to the former glory I had from the beginning with You."

As I said a few weeks ago, when Jesus ascended back to the Father, He actually came back as the Spirit of Christ through the Holy Spirit. That's why we can say Jesus is with me always and it's true for everyone of us. He regained His Omnipresence through the Holy Spirit, and quite frankly, I don't understand how the 2nd and 3rd Persons of the Godhead take up residence inside us, but I'm sure glad they do!

Is Jesus seated at the right Hand of the Father? Yup. And He also accompanies the Holy Spirit who was sent as our Advocate to remind us of all that Jesus said and to lead us into all truth? Uh-huh. So how do we Christ followers explain all that? We don't. This is yet another example of God being God and me accepting His wisdom and grace to believe in The One True and Living God even when I can't completely understand Him.

And I'm very happy that He can't be fully understood because that's in large part what makes Him God. And I believe we will be coming to greater understandings of Who He is throughout the rest of eternity, without any of us ever coming to the full revelation of His Awesomeness, just like the 24 elders around the throne who look at Him and shout Holy, Holy, Holy. And then they look at each other as if to say, "Did you catch that new glimpse of just how Holy He is?" And even though they have been doing this for eons, they never get bored because each time they look they grasp something new about Him that they have never seen before.

There's a lot more to discover today, and I can't wait to explore the actual prayer familiar to us all that Jesus has never and will never pray.

Blessings,

Randy & Pam
