

From the Pastor

It never ceases to amaze me how we humans are constantly forgetting the things we should remember, and remembering the things we should forget. I'm not just talking about what happens to us as we age, but on a larger scale.

We tend to forget about important historical events that happened in our nation, like what happened on this day 21 years ago, but we remember every detail about how someone failed us or slighted us over 30 years ago.

Bill Buckner was a baseball player who had a wonderful career playing in the Major Leagues. He helped several teams achieve excellence and make it to the playoffs. He is remembered mostly for one error he made in a critical moment in the 1986 World Series. Few remember that he came very close to reaching the very exclusive 3,000 hits club.

One thing we must never forget is that Jesus is THE Foundation of the Church, He is THE Foundation of the Christian life, and He is THE Foundation of our Salvation! Listen, if you want to take your chances finding salvation from another source, just make sure that person lived a sinless life and were willing to pay with their life's blood for the sins and shortcomings of every person in the world. O, and one more thing...make sure they were born of a virgin, not to mention the 2nd Person of the Godhead!

This is why we have this constant mantra...we find our salvation in Christ alone. The song says, "In Christ alone, I place my faith, and I will glory in the power of the Cross. With every victory, let it be said of me, my Source of Hope, my Source of Strength, is Christ alone!"

Please take a moment of silence today and remember all the victims and their families of the attack on our nation back on 9/11/2001.

Blessings,

Pastor Randy & Pam
