

From the Pastor

As we work our way through the lighting of the Advent Candle, today we light the candle of Joy. It's the only candle that is pink and not purple, signifying something colorful, unique and immeasurable. Joy is a deep down contentment that stays with believers even during their absolute worst trials. It's something the Enemy consistently tries to steal from us.

The first two candles represented Hope and Love—the next two are Joy and Peace. I'm talking about Peace today because I envision the Millennial Reign of Christ being the time of greatest joy, when for the first time since Cain killed Abel we will experience World Peace.

Imagine the joy when you are reunited with your loved one who lost their earthly life in a war. I don't know how much of their stories they will be able to tell us, but just think of the courage and bravery they represent. They ran into harm's way when everyone else was running out. Your loved one is truly a hero.

The Bible says that there is no greater love than to lay down your life for someone else. I'm pretty sure those folks will receive the greatest heavenly awards, and we will be there to watch the ceremony! We will be filled with such joy when the ones who gave their lives trying to bring peace are rewarded handsomely for their efforts. Our sadness in losing them will turn to tremendous gladness on that day!

There have been 285 wars recorded in our world since WWII. Until our Prince of Peace returns, there will be many more. But when He comes, He will change everything. We won't have to study war anymore. We will live here on this earth for 1,000 years of Peace. I can't wait!

Blessings,

Randy & Pam
