

## From the Pastor

Welcome to Advent Season. Advent simply means 'Arrival.' We were all born at a time in history where every year, we get to anticipate the chosen Anniversary of our Lord's birth, December 25th, while every single day we live with the anticipation of His 2nd Arrival. Who knows, He could return today!

Last Sunday, we lit the first purple candle in our Advent wreath. The wreath is round, signifying our Heavenly Father's eternal love, and made of evergreen foliage which represents eternal life. The first candle exemplifies hope, and the candle we light today represents love.

The greatest act of love is to give your life for someone else. That happened for all of us when Jesus went to the Cross to die for our sins. None of that would have been possible had He not left the glorious riches of heaven and become one of us. "The Word became flesh and dwelt among us..."

Every year, Barry Perez takes a group of people to the Holy Land (please see the brochures in the Lobby for the October '23 trip). His guide is a Messianic Jewish believer who takes the group down into the shepherd's fields in Bethlehem. Significant events happened there. It's where David watched his father's sheep and was summoned to be anointed as the King of Israel. It's where all the spotless lambs for Passover and the Temple sacrifices came from. It's where THE Spotless Lamb—Jesus, was born.

One of the earliest prophetic utterances about Christmas is found in Numbers 24:17. Balaam, a heathen mercenary prophet was hired to curse Israel. It's a fascinating story that we're going to have some fun with as we explore it, but the end result is this incredible insight into the birth of Christ. If you're unable to attend today's service, you can watch live or anytime during the week by going to Trinity-life.org.

Be blessed, you are loved,

Randy & Pam
