

## From the Pastor

His name is Roger, and he's a believer who wanted to be more effective in sharing his faith at work. He spent time in prayer, asking the Lord how to best go about this, when He heard the Lord say 2 words: "Stop gossiping."

Roger worked in an environment where groups of 4 or 5 people constantly met to brainstorm about ways to improve their product and enhance their output. He was the leader of one such group, and as you can imagine, with groups meeting all over the place, there was a lot of jealousy and backstabbing in the workplace.

Each group would spend some time talking about people in the other groups, and Roger just stopped participating in those discussions. It wasn't long until his group stopped gossiping all together, following Roger's lead. Several months later he was summonsed upstairs to the office of his boss.

His boss told him that his group had become the most effective group, and he was now promoting Roger to a new position of helping all the other groups become more productive as well—all because He was obedient to the inner prompting of the Holy Spirit, and because he was willing to take the time to listen as he prayed from his heart.

Roger had already been tithing and giving sacrificially, and he now had even more resources with which to be a blessing to the nations. According to today's parable, when Roger enters heaven, he will be greeted by people from all the tribes & nations of the ministries and missionaries where he sent his 'unrighteous mammon' or money so that he could tap into eternal riches rather than squandering his money here on earth.

More will be revealed,

Randy & Pam
