

# From the Pastor

I remember being intrigued when I was with my Dad and he would be listening to Paul Harvey's 'The Rest of the Story.' Paul Harvey drew people in by the way he spoke and the interesting stories that he would cover.

Today's final parable unique to Luke has 3 different aspects to it where I am privileged to tell you the rest of the story. The first one has to do with our Lord's opening line where He talks about a King traveling on a trip to a far country. Did you know that his listeners knew exactly what He was talking about because that very same scenario had already happened in their lifetime?

And do you know the difference between the 1st and 2nd servants and why the 3rd individual was called something else instead of the 3rd servant? One would have to be familiar with the Greek language to be able to grasp the rest of this story which I can't wait to let you in on. It's a fascinating insight!

And finally, there is one more insight that will give you tremendous hope that has to do with the handkerchief that this 3rd individual refers to as the place where he kept the mina he was given until the King returned.

We are looking at The Parable of the Pounds today in Luke 19. Jesus shared this story with those following Him from Jericho to Jerusalem, right after He had healed the blind men and spent some quality time at the house of Zacchaeus. Those following, including the disciples, were fully convinced that Jesus was on His way to establish His Kingdom in Jerusalem while overthrowing the Romans. This story was designed to help them realize the bigger picture of what He had in mind. I can't wait to tell you...the rest of the story!

Blessings,  
Randy & Pam
