

From the Pastor

HAPPY MOTHER'S DAY! Mom, we love you and couldn't make it without you. I love the story about the incredible Orator who said, "The best years of my life were spent in the arms of another man's wife... my Mother!" Another speaker who was there that day cornered him and asked if it would be ok if he used that same line someday in a future speech. He said sure.

So the next speaker used it about two weeks later. He said, "The best years of my life were spent in the arms of another man's wife... and for the life of me, I can't remember who she was!" O boy! Better make sure you remember the punch line if you're going to use someone else's material.

Eve, the very first Mom, was created to be Adam's 'Helper-Counterpart.' She was never meant to be secondary and subservient to the man. She was made to be necessary and equal to the man, although uniquely different. She is his counter balance, the one who helps stabilize him when he is spinning out of control. The woman is designed to complement her man and to bring him balance morally, spiritually, and intellectually.

Thank you, Ladies. You bring intuition, beauty, and sophistication into our lives. Most men left to themselves can be crude, scruffy and messy. But you gals bring such refreshing class and joy into our lives by being our Counterpart.

I know this can be a difficult emotional day for those who don't have a great relationship with their Mom, and for those of you that want to be Moms but for some reason haven't been able to as of yet. But don't ever give up hope! Keep praying and keep believing. Pam and I are praying and believing right along with you.

Blessings,
Randy & Pam
