From the Pastor

In my younger days, I was once on a dangerous River Cruise. There were wild animals on both shores—treacherous waters, really. We came to a cave carved out of a mountain, but what none of us noticed was that there were giant doors that closed us in once we entered, along with giant doors on the other end of the cave.

We were trapped! We knew we had to execute a great escape. The darkness was so thick it felt as if we had been covered in molasses. Our team leader had a very small flashlight, the size of a pen head, but wow, what light it gave us.

That’s a whole ‘nuther sermon. Back to the cave —as we approached the doors where we should be exiting, very slowly the doors began to crack open, and you can just imagine the relief in the heart of a 9 year-old boy who was just finishing his first River Cruise ride at Six Flags Over Texas!

Today we are looking at The Great Escape that Joseph made in order that he might keep the Messianic lineage alive. We all know the story, how his brothers shipped him off to be sold as a slave in Egypt. But when Joseph’s boyhood dream came true, that not only saw his dad and mom and brothers bow low before him, even the entire world came to bow at his feet. He was the most powerful man in the world!

I love the way it’s written in the original Hebrew when Joseph can’t stand it anymore and he reveals himself to his brothers. “Joseph said to his brothers, ‘I am Joseph, does my father yet live?’ and his brothers were not able to answer him because they were terrified out of their senses before his face.”

Joseph had a great escape organized and perfectly administrated by our Heavenly Father, but now it’s time for the brothers to escape the wrath of Joseph, which he willingly lays down when he sees that his brothers had truly changed. The brothers struggled to grasp the immensity of Joseph’s grace.

Interesting! Let’s look into it,

Randy & Pam
