

From the Pastor

“It’s a jungle out there!” So says the song that introduces the show called Monk, who is an OCD consulting detective who never misses even the tiniest clue to help solve the crime. I have titled this week’s message ‘Life is a Zoo,’ and it sure feels that way when so many things are coming at you from every direction.

But that’s not why I chose this as the title. I chose it because of the meaning of the word ‘Zoo.’ Yes, it means life and stands for the place we keep a lot of animals, but did you know that the word for physical life is “bios” (from which we get the word biology), but the word used in Greek to describe eternal life is “zoe.”

So when you hear the word “zoe,” and you think of a zoo, it couldn’t be more misleading! Sure, a zoo is where we keep a bunch of live animals, but “zoe” is the word used in Colossians 3:3, which says that “your life is hidden with Christ in God.” Wow, what a powerful statement.

1 John 2:16 uses the word “bios” to describe the pride of life, whereas John uses the word “zoe” when he quotes Jesus saying, “I am the Way, the Truth, and the Life.” And again, it’s “zoe” when Jesus says, “I am the Resurrection and the Life.”

So when I say ‘Life is a Zoo,’ what I really mean is that we have been given such an incredible gift. Eternal life has already begun in the life of a Christian, because through His death, burial and resurrection, we have been given eternal “zoe” life when we repent and ask forgiveness. He won’t force you to keep serving Him, but His gift can never be stolen or taken away from us, because our real “zoe” life is hidden with Christ in God.

Life is a Zoo!
