From the Pastor

I'm not sure if you are aware of this or not, but our country is having a Presidential election two days from now. As our country is filled with hatred and vitriol, without a shred of civility left, which has penetrated even the church - what should our response be?

This is why I have chosen to preach today on the "Indescribable Holiness" of our Majestic Master! If we, like Isaiah, could just capture the tiniest glimpse of just how Holy our God really is, then this is what will unite us instead of being divided by politics.

What greater step towards revival could we take than to unite under our dedication to Christ Jesus? Seeing Him exalted, high and lifted up, sitting in complete control of the entire universe is what will unite the Church.

Let's join the Seraphim singing 'Holy, Holy, Holy' which makes good sense in English but is completely untranslatable in Hebrew. Isaiah is in such awe and lacks the words to describe such holiness. But it's something like "supremely and infinitely Holy beyond our ability to comprehend - the Most Holiest of all the qualities of Holiness - most exceedingly Holier than the Most supreme and ultimate Holiness."

Let's unite around the fact that He is absolutely in charge of the entire universe. What helps us to do this is when we catch a glimpse of His Supreme Holiness, the way Isaiah did. Remember, Isaiah had this vision in the year that King Uzziah died, and Uzziah was the longest reigning king Israel ever had.

United we will stand,

Randy & Pam
