FROM THE PASTOR

Today, as we finish our time studying Joseph, there are at least 10 Life Lessons I want you to grasp. They are all very simple, but if you give them time to sink in—they are very profound!

If I were Joseph, here's how Genesis 45:13 would have read: "Go tell my father of my honored position here in Egypt. Describe for him everything you have seen, and then bring my father here quickly 'so he can bow before me and fulfill my childhood dream, just the same way that you scallywags have now bowed down before me'..."

Now, besides being grateful that I'm not Joseph, I want you all to be grateful for these 10 lessons we need to learn and apply to our daily lives. Again, they are very simple but they will have a deep impact on how we choose to live our lives.

Joseph's life story is all about the Sovereignty of God. Sovereignly, God ordained his childhood dreams, his brother's reactions, his landing in Egypt, and all he went through for 13 years being prepared for what was to come, which culminated in him becoming the most prosperous and powerful man in the world up to that time. I actually wonder if anyone has ever wielded more power than Joseph.

And God is indeed in control of every one of our lives as well. Just like Joseph, He can take anything that was meant towards us for evil, and turn it around and make it for our good!

Blessings,
Randy & Pam
