

**FROM THE PASTOR**

I told you last week that ever since I was a kid, I've been captured by the Biblical story of Joseph. He is definitely one of my all time favorite Bible characters! So I thought that I would just continue on with his story this week and probably next week as well.

This week we run into the problematic and wretched part of the story concerning Potiphar's wife. Many Bible scholars believe that Potiphar was a eunuch, but he was highly valued by Pharaoh. Pharaoh was more than likely the one who blessed him with a wife, even though he was not equipped to be a blessing to her in the bedroom.

This led to all kinds of problems, including the reason why his wife was so desperate to sleep with Joseph, who is one of only 3 Bible characters to be described as this handsome. The other 2 were David and Absalom.

Anyway, the Bible is ambiguous as to whether Potiphar is angry at Joseph, at his wife, or at the loss of Joseph, who was causing him so much success and freeing him from any work or responsibilities. Joseph is sent to the Pharaoh's prison, even though the penalty against Joseph, if Potiphar had believed his wife, was to be beheaded.

So I'm going out on a limb here and saying that Potiphar believed Joseph's story over the lies that his wife was telling. Potiphar believed in Joseph so much that he makes sure that Joseph is in direct contact with the 2 men in prison who had the closest possibility to be in contact with the most powerful man in the world.

But are you aware that if the Cup Bearer had remembered to tell Pharaoh about Joseph immediately, then he would have fled back to Israel, and no one would have been there 2 years later to save the nation of Israel from the 7 year famine. God knows the appropriate timing, so please be patient if your prayers aren't answered in your own timing. Perhaps God is waiting to position you for something greater than you could ever imagine!

Blessings,

Randy & Pam
