

## FROM THE PASTOR

Ecclesiastes 3:11 tells us that God placed eternity in our hearts. The New Living Translation says, “He planted eternity in the human heart...” So I think that’s why we all wish we could discover the fountain of youth, because we really don’t want to die but we want to live forever.

First Fruits is the 3rd Celebratory Feast that the Lord instituted for the Israelis to enjoy, right after Passover and Unleavened Bread. Today is First Fruits Sunday! They were to bring the very first portion of their harvest, wrap it up in a bundle, and bring it to the Temple and wave it as an offering to the Lord.

I actually think this is what Jesus had in mind when He, the first One to rise from the dead, gathered those saints who came out of their graves after He was resurrected (Matthew 27:52-53). I have always pictured this little group meeting at the Temple and all in unison just waving back and forth before the Lord.

Jesus was the First One to rise from the dead, becoming immortal, meaning that He would now live forever. And the same thing is true for all of us who have placed our faith in Him. We will never truly experience death. Our outer shell might fall off and decay, but the real essence of who we are will go on living forever in His Presence!

Praise be to God for His everlasting Love for us,

Pastor Randy & Pam
