

FROM THE PASTOR

When I was on my way to Spring Training for the first time after being drafted to play professional baseball for the Philadelphia Phillies, I was nervous about learning some of the things I was sure I didn't know about baseball. But when I got there, we did all the same drills I had done since Little League, only everything

I already knew and had been doing since I was a kid, we now did it with finely-tuned precision.

Which is exactly what I want to talk to you about in today's sermon. This is a fun sermon about fundamental Christianity, but I'm hoping that throughout what you hear this morning, you will discover new and fresh ways to fine-tune your walk with the Lord.

I could also have titled this sermon, "First Things First," because my Scriptural references are out of the 1st chapters of John, Colossians, and Hebrews, which are some of the most incredible passages in the entire Bible.

Time will not permit me to go as deep as I normally like to go, but it will be a joyous excursion to hone in and develop the most important aspects involved in serving our Master.

As this is my 2nd to last sermon as your Pastor, Pam and I just want to say what an absolute joy and privilege it has been to live life with you all over these past 3 decades! Now, we'll be gone a little while, but don't you dare leave, because we will be back to worship with you in just a little while, and it will be so fun being reunited, because YOU ARE OUR CHURCH FAMILY!!

Blessings,

Randy & Pam
